In the event that the Board of Review shall fail or refuse to so review the assessment roll of the city, such roll, as prepared and presented to the Board of Review by the Assessor shall be the assessment roll for the year for which it was prepared and shall stand as though it had been certified by the Board of Review.

Section 9.14. City tax roll.

After the Board of Review has completed its review of the assessment roll, the Assessor shall prepare a tax roll, or a combined assessment and tax roll, to be known as the "City Tax Roll." Upon receiving the certification of the several amounts to be raised, assessed, and charged for city taxes, as provided in the preceding section, the Assessor shall proceed forthwith, (1) to spread the amounts of the general ad valorem tax according to and in proportion to the several valuations set forth in said assessment roll, and

The taxes on real and personal property shall become a debt to the city from the owner or person otherwise to be assessed, on the tax day provided by law. The amounts assessed on any interest in real property shall become a lien upon such real property on the first day of July next subsequent to the tax day, and shall so remain, until paid. Section 9.18. Taxes due--Notification thereof.

The Treasurer shall not be required to make personal demand for the payment of taxes but, upon receipt of the city tax roll, he shall forthwith mail a tax statement to each person named in the tax roll, which mailed statement shall be a sufficient demand for the payment of all taxes assessed. Neither the failure on the part of the Treasurer to mail such statement, nor the failure of any person to receive the same, shall invalidate the taxes on the tax roll or release any person or property assessed from the liabilities in this chapter in case of nonpayment.

Section 9.19. Tax payment schedule.

The Council shall provide, by ordinance, the tax payment schedule for city taxes, the times when the same may be paid without the addition of collection fees or interest, and the amount of collection fees and interest to be added thereafter. All amounts collected as collection fees and interest shall be paid into the city's treasury for the use and benefit of the city.

Section 9.20. Failure or refusal to pay personal property tax.

If any person shall neglect or refuse to pay any tax on personal property assessed to him, the Treasurer shall collect the same by seizing any personal property of such person, to an amount sufficient to pay such tax, together with any charges and interest added thereto, wherever the same may be found in the State. For the purposes of assessing and collecting taxes for state, county, and school purposes, the city shall be considered the same as a township and all provisions of law relative to the collection of, and accounting for, such taxes and the penalties and interest thereon shall apply. For the purpose of collection of state,

county, and school taxes, the Treasurer shall perform the same duties and have the same powers as township treasurers under state law.

Section 9.22. Protection of city lien.

The city shall have power, insofar as the exercise thereof shall not conflict with or contravene the provisions of law, to acquire such an interest in any premises within the city, by purchase at any tax or other public sale, or by direct purchase from or negotiation with the State of Michigan or the owner, as may be necessary to assure to the city the collection of its taxes, special assessments, charges, and any interest thereon which are levied against any lot or parcel of real property or to protect the lien of the city therefor, and may hold, lease, or sell the same. Any such procedure exercised by the city to assure the collection of its taxes or the protection of its tax or other liens shall be deemed to be for a public purpose. The Council may adopt any ordinance which may be necessary to make this section effective.

Section 9.23. Collection of delinquent taxes.

All taxes and charges, together with fees, penalties, and interest upon real property on the tax roll, remaining uncollected by the Treasurer on the first day of March following the date when the roll was received by him shall be subject to one of the following procedures:

(1) The real property against which such taxes and charges are assessed shall be subject to disposition, sale, and redemption for the enforcement and collection of the tax lien against the same in the method and manner which may be provided by ordinance. The Council may provide by ordinance the procedure for the sale and redemption of real property for such unpaid taxes and charges, together with fees, penalties, and interest, by judicial sale on petition filed in behalf of the city. Such procedure shall correspond substantially to the procedure provided by law for the sale by the State of tax delinquent real property and redemption therefrom, except that the acts performed by state and county officers shall be performed by appropriate city officers and that city tax sales shall be held not less than thirty nor more than ninety days prior to the date of corresponding tax sales under the general law.

(2) If no ordinance is in effect pursuant to subsection (1) of this section, such taxes shall be returned to the County Treasurer, to the extent and in the same manner and with like effect as provided by law for returns by township treasurers of township, school and county taxes. Such returns shall include all the additional assessments, charges, fees, penalties, and interest hereinbefore provided, which shall be added to the amount assessed in said tax roll against such property or person. The taxes thus returned shall be collected in the same manner as other taxes returned to the County Treasurer are collected, in accordance with law, and shall be and remain a lien upon the property against which they are assessed until paid.

Section 9.24. Disposition of real property held by city.

When the city has acquired any interest in property to protect the city's tax lien thereon, the owner of any interest therein by fee title, as mortgagee, or as vendor or vendee under a land contract, shall have the right to purchase the city's interest therein, upon payment to the city of the amount of money which the city has invested therein in the form of taxes, special assessments, charges, fees, penalties, interest, and costs, paid by the city to protect its title in such property. After the lapse of ninety days after the date that the city acquires title to any such property, the Council may remove the same from the market by determining that such property is needed for and should be devoted to public purposes, naming such purposes, or may sell the same at a price which shall be not less than the market value, as determined.
