

**City of Swartz Creek
AGENDA**

**Regular Council Meeting, Monday, December 18, 2023, 7:00 P.M.
Paul D. Bueche Municipal Building, 8083 Civic Drive Swartz Creek, Michigan 48473
THIS WILL BE A HYBRID MEETING, WITH IN PERSON ATTENDANCE BY COUNCIL MEMBERS.**

- 1. **CALL TO ORDER:**
- 2. **INVOCATION & PLEDGE OF ALLEGIANCE:**
- 3. **ROLL CALL:**
- 4. **MOTION TO APPROVE MINUTES:**
 - 4A. Council Meeting of December 11, 2023 MOTION Pg. 27
- 5. **APPROVE AGENDA:**
 - 5A. Proposed / Amended Agenda MOTION Pg. 1
- 6. **REPORTS & COMMUNICATIONS:**
 - 6A. City Manager's Report MOTION Pg. 8
 - 6B. Staff Reports & Meeting Minutes Pending
 - 6C. MDOT Agreement Pg. 32
 - 6D. Public Safety Special Assessment Packet Attached
- 7. **MEETING OPENED TO THE PUBLIC:**
 - 7A. General Public Comments
- 8. **COUNCIL BUSINESS:**
 - 8A. Public Safety Special Assessment District PUBLIC HEARING
 - 8B. Public Safety Special Assessment District RESO Pg. 23
 - 8C. MDOT Category B Grant Agreement RESO Pg. 24
 - 8D. USDA Payment Authorization RESO Pg. 25
- 9. **MEETING OPENED TO THE PUBLIC:**
- 10. **REMARKS BY COUNCILMEMBERS:**
- 11. **ADJOURNMENT:** MOTION Pg. 25

Next Month Calendar (Public Welcome at All Meetings)

Park Board:	Tuesday, December 19, 2023, 5:30 p.m. PDBMB (Cancelled)
Zoning Board of Appeals:	Wednesday, December 20, 2023, 6:00 p.m., PDBMB(Cancelled)
Metro Police Board:	Wednesday, December 20, 2023, 11:00 a.m., Metro HQ
City Council	Monday, January 8, 2024, 7:00 p.m., PDBMB
Planning Commission:	Tuesday, January 9, 2024, 7:00 p.m., PDBMB (One Week Later)
Downtown Development Authority:	Thursday, January 11, 2024, 6:00 p.m., PDBMB
Fire Board:	Monday, January 15, 2024, 6:00 p.m., Station #1
City Council:	Monday, January 22, 2024, 7:00 p.m., PDBMB

City of Swartz Creek Mission Statement

The City shall provide a full range of public services in a professional and competent manner, assuring that the needs of our constituents are met in an effective and fiscally responsible manner, thus promoting a high standard of community life.

City of Swartz Creek Values

The City of Swartz Creek's Mission Statement is guided by a set of values which serve as a common operating basis for all City employees. These values provide a common understanding of responsibilities and expectations that enable the City to achieve its overall mission. The City's values are as follows:

Honesty, Integrity and Fairness

The City expects and values trust, openness, honesty and integrity in the words and actions of its employees. All employees, officials, and elected officials are expected to interact with each other openly and honestly and display ethical behavior while performing his/her job responsibilities. Administrators and department heads shall develop and cultivate a work environment in which employees feel valued and recognize that each individual is an integral component in accomplishing the mission of the City.

Fiscal Responsibility

Budget awareness is to be exercised on a continual basis. All employees are expected to be conscientious of and adhere to mandated budgets and spending plans.

Public Service

The goal of the City is to serve the public. This responsibility includes providing a wide range of services to the community in a timely and cost-effective manner.

Embrace Employee Diversity and Employee Contribution, Development and Safety

The City is an equal opportunity employer and encourages diversity in its work force, recognizing that each employee has unlimited potential to become a productive member of the City's team. Each employee will be treated with the level of respect that will allow that individual to achieve his/her full potential as a contributing member of the City staff. The City also strives to provide a safe and secure work environment that enables employees to function at his/her peak performance level. Professional growth opportunities, as well as teamwork, are promoted through the sharing of ideas and resources. Employees are recognized for his/her dedication and commitment to excellence.

Expect Excellence

The City values and expects excellence from all employees. Just "doing the job" is not enough; rather, it is expected that employees will consistently search for more effective ways of meeting the City's goals.

Respect the Dignity of Others

Employees shall be professional and show respect to each other and to the public.

Promote Protective Thinking and Innovative Suggestions

Employees shall take the responsibility to look for and advocate new ways of continuously improving the services offered by the City. It is expected that employees will perform to the best of his/her abilities and shall be responsible for his/her behavior and for fulfilling the professional commitments they make. Administrators and department heads shall encourage proactive thinking and embrace innovative suggestions from employees.

**CITY OF SWARTZ CREEK
VIRTUAL REGULAR CITY COUNCIL MEETING ACCESS INSTRUCTIONS
MONDAY, DECEMBER 18, 2023, 7:00 P.M.**

The regular meeting of the City of Swartz Creek city council is scheduled for **December 18, 2023** starting at 7:00 p.m. and will be conducted in hybrid form. The meeting will be available virtually (online and/or by phone). Council members and staff must attend in-person. The general public may attend in-person or virtually.

To comply with the **Americans with Disabilities Act (ADA)**, any citizen requesting accommodation to attend this meeting, and/or to obtain the notice in alternate formats, please contact Renee Kraft, 810-429-2766, 48 hours prior to meeting,

Zoom Instructions for Participants

To join the conference by phone:

1. On your phone, dial the teleconferencing number provided below.
2. Enter the **Meeting ID** number (also provided below) when prompted using your touch-tone (DTMF) keypad.

Before a videoconference:

1. You will need a computer, tablet, or smartphone with speaker or headphones. You will have the opportunity to check your audio immediately upon joining a meeting.
2. Details, phone numbers, and links to videoconference or conference call is provided below. The details include a link to “**Join via computer**” as well as phone numbers for a conference call option. It will also include the 9-digit Meeting ID.

To join the videoconference:

1. At the start time of your meeting, enter the link to join via computer. You may be instructed to download the Zoom application.
2. You have an opportunity to test your audio at this point by clicking on “Test Computer Audio.” Once you are satisfied that your audio works, click on “Join audio by computer.”

You may also join a meeting without the link by going to join.zoom.us on any browser and entering the Meeting ID provided below.

If you are having trouble hearing the meeting, you can join via telephone while remaining on the video conference:

1. On your phone, dial the teleconferencing number provided below.
2. Enter the **Meeting ID number** (also provided below) when prompted using your touchtone (DMTF) keypad.
3. If you have already joined the meeting via computer, you will have the option to enter your participant ID to be associated with your computer.

Participant controls in the lower left corner of the Zoom screen:

Using the icons in the lower left corner of the Zoom screen you can:

- Mute/Unmute your microphone (far left)
- Turn on/off camera (“Start/Stop Video”)
- Invite other participants
- View participant list-opens a pop-out screen that includes a “Raise Hand” icon that you may use to raise a virtual hand during Call to the Public
- Change your screen name that is seen in the participant list and video window
- Share your screen

Somewhere (usually upper right corner on your computer screen) on your Zoom screen you will also see a choice to toggle between “speaker” and “gallery” view. “Speaker view” show the active speaker.

Renee Kraft is inviting you to a scheduled Zoom meeting.

Topic: Swartz Creek City Council Meeting

CITY OF SWARTZ CREEK VIRTUAL (ELECTRONIC) MEETING RULES AND PROCEDURES

In order to conduct an effective, open, accessible, and professional meeting, the following protocols shall apply. These protocols are derived from the standard practices of Swartz Creek public meetings, Roberts Rules of Order, the City Council General Operating Procedures, and other public board & commission procedures. These procedures are adopted to govern participation by staff, councilpersons and members of the public in all City meetings held electronically pursuant to PA 228 of 2020. Note that these protocols do not replace or eliminate established procedures or practices. Their purpose is to augment standing expectations so that practices can be adapted to a virtual meeting format.

The following shall apply to virtual meetings of the city's public bodies that are held in accordance with the Open Meetings Act.

1. Meetings of the City Council, Planning Commission, Zoning Board of Appeals, Downtown Development Authority, Park Board, or committees thereunder may meet electronically or permit electronic participation in such meetings insofar as (1) the Michigan Department of Health and Human Services restricts the number of persons who can gather indoors due to the COVID-19 pandemic; (2) persons have an illness, injury, disability or other health-related condition that poses a risk to the personal health or safety of members of the public or the public body if they were to participate in person; or (3) there is in place a statewide or local state of emergency or state of disaster declared pursuant to law or charter by the governor or other person authorized to declare a state of emergency or disaster.
2. All meetings held hereunder must provide for two-way communication so that members of the public body can hear and respond to members of the general public, and vice versa.
3. Members of the public body who participate remotely must announce at the outset of the meeting that he/she is in fact attending the meeting remotely and by further identifying the specific physical location (by county, township, village and state) where he/she is located. The meeting minutes must include this information.
4. Notice of any meeting held electronically must be posted at the City Offices at least 18 hours before the meeting begins and must clearly explain the following:
 - (a) why the public body is meeting electronically;
 - (b) how members of the public may participate in the meeting electronically, including the specific telephone number, internet address or similar log-in information needed to participate in the meeting;
 - (c) how members of the public may contact members of the public body to provide input or ask questions on any business that will come before the public body at the meeting;
 - (d) how persons with disabilities may participate in the meeting.

5. The notice identified above must also be posted on the City's website homepage or on a separate webpage dedicated to public notices for non-regularly scheduled or electronic public meetings that is accessible through a prominent and conspicuous link on the website's homepage that clearly describes the meeting's purpose.
6. The City must also post on the City website an agenda of the meeting at least 2 hours before the meeting begins.
7. Members of the public may offer comment only when the Chair recognizes them and under rules established by the City.
8. Members of the public who participate in a meeting held electronically may be excluded from participation in a closed session that is convened and held in compliance with the Open Meetings Act.

MAINTAINING ORDER

Public body members and all individuals participating shall preserve order and shall do nothing to interrupt or delay the proceedings of public body.

All speakers shall identify themselves prior to each comment that follows another speaker, and they shall also indicate termination of their comment. For example, "Adam Zettel speaking. There were no new water main breaks to report last month. That is all."

Any participants found to disrupt a meeting shall be promptly removed by the city clerk or by order of the Mayor. Profanity in visual or auditory form is prohibited.

The public body members, participating staff, and recognized staff/consultants/presenters shall be the only participants not muted by default. All other members must request to speak by raising their digital hand on the virtual application or by dialing *9 on their phone, if applicable.

MOTIONS & RESOLUTIONS

All Motions and Resolutions, whenever possible, shall be pre-written and in the positive, meaning yes is approved and no is defeated. All motions shall require support. A public body member who reads/moves for a motion may oppose, argue against or vote no on the motion.

PUBLIC ADDRESS OF COUNCIL

The public shall be allowed to address a public body under the following conditions:

1. Each person who wishes to address the public body will be first recognized by the Mayor or Chair and requested to state his / her name and address. This applies to staff, petitioners, consultants, and similar participants.
2. Individuals shall seek to be recognized by raising their digital hand as appropriate on the digital application.

3. Petitioners are encouraged to appropriately identify their digital presence so they can be easily recognized during business. If you intend to call in only, please notify the clerk in advance of your phone number.
4. The city clerk shall unmute participants and the members of the public based upon the direction of the mayor or chair. Participants not recognized for this purpose shall be muted by default, including staff, petitioners, and consultants.
5. Individuals shall be allowed five (5) minutes to address the public body, unless special permission is otherwise requested and granted by the Mayor or Chair.
6. There shall be no questioning of speakers by the audience; however, the public body, upon recognition of the Mayor or Chair, may question the speaker.
7. No one shall be allowed to address the public body more than once unless special permission is requested, and granted by the Mayor or Chair.
8. One spokesperson for a group attending together will be allowed five (5) minutes to address the public body unless special permission has been requested and granted by the Mayor or Chair.
9. Those addressing the public body shall refrain from being repetitive of information already presented.
10. All comments and / or questions shall be directed to and through the Mayor or Chair.
11. Public comments (those not on the agenda as speakers, petitioners, staff, and consultants) are reserved for the two "Public Comment" sections of the agenda and public hearings.

VOTING RECORD OF PUBLIC BODIES

All motions, ordinances, and resolutions shall be taken by "YES" and "NO" voice vote and the vote of each member entered upon the journal.

City of Swartz Creek
CITY MANAGER'S REPORT
Regular Council Meeting of Monday, December 18, 2023 - 7:00 P.M.

TO: *Honorable Mayor, Mayor, Pro-Tem & Council Members*

FROM: Adam Zettel, City Manager

DATE: December 14, 2023

ROUTINE BUSINESS – REVISITED ISSUES / PROJECTS

- ✓ **MICHIGAN TAX TRIBUNAL APPEALS** (*No Change of Status*)
The city has not received any new tax tribunal appeals. Since we are late in October, I am going to venture to claim that we are appeal free for the first time in my ten years as manager!
- ✓ **STREETS** (*See Individual Category*)
 - ✓ **2020-2023 TRAFFIC IMPROVEMENT PROGRAM (TIP)** (*No Change of Status*)
The Miller Road rehabilitation is complete, with the exception of stop bars and crosswalk striping. Weather is not conducive to the application of paint.

There are no further TIP projects planned for the current three-year cycle.

- ✓ **STREET PROJECT UPDATES** (*Business Item*)
This is a standing section of the report on the status of streets as it relates to our dedicated levy, 20-year plan, ongoing projects, state funding, and committee work. Information from previous reports can be found in prior city council packets.

Street reconstruction for Winchester Village is approved. Street work will include sub surface drainage, road reconstruction, replacement aprons, replacement sidewalk, and forestry for Durwood, Norbury, Winshall, Greenleaf, and Whitney. We are currently selling capital improvement bonds. We do not have a start date from the contractor. However, the private bond sale has commenced, and the rates are outstanding!

Our financial advisor was expecting rates of 3.9 - 4.0%. Since we were one of the only Michigan bond sales in December, we may have benefitted from tight supply, with the low bid being 3.290922%. This bid comes with a premium, meaning that they wish to invest an additional \$305,927.40, while only charging a 4% interest rate on the bid principle of \$6,400,000. The end result is additional funds, which we could certainly use, at a true interest rate of 3.29%. This gives us more wiggle room with the levy because we have more principle to complete projects up front without increasing the estimated debt service that we built the project around.

Overall, it was a good sale! I am attaching the bid results. Note that the August resolution enabled the sale of \$8,000,000 in bonds, not \$6,400,000. However, our bond counsel indicated that the \$6,400,000 figure is to remain in the bond award notice because that is what the principle sale was based on.

I will keep the council informed.

Crack filling in the city is complete. We expected road marking to commence at any time. However, with freezing temps now routine, it is unlikely this will get completed.

Street rehabilitation with limited drainage in Winchester Woods is also going to be bid and will include replacement top courses and limited drainage work. This work will bid separately from the Winchester Village work so that the city will qualify for the \$250,000 Category B MDOT grant. MDOT will not allow a project to be under contract or out for bid prior to a grant agreement. As of writing, the engineer plans to have a bid opening on January 18, 2024, with council review soon after.

With that said, we expect to bid the Winchester Woods work yet in December, due in mid-January. Once bids are in and both parties execute the grant agreement (an eight-week process), we should be able to proceed with an award. The MDOT grant agreement is in the packet. This agreement follows the same form as other MDOT agreements the city has entered into, setting the basic terms and conditions of the project and funding. In fact, the requirements for this funding are substantially less than most others because the funds are not federal. The absence of prevailing wages is the most notable difference. A resolution is included to move us forward.

Concerning the Morrish overpass, the DPW is taking a closer look at the slope, guardrail, and drainage structures. We have very little capacity to deal with this interstate overpass with our funds. We are looking to ensure it is safe and structurally sound until such time that MDOT addresses the larger issues. Rob solicited pricing on a potential complete repair from OHM. See the attached estimate and detailed report below.

- ✓ **RECONNECTING COMMUNITIES AND NEIGHBORHOODS** *(No Change of Status)*
The grant has been submitted. The previous report follows.

There is new federal money available to provide traffic and pedestrian connections to overcome divisions in communities that have resulted from previous changes to the traffic network. In essence, the program seeks to resolve some issues caused by the construction of major highways, roads, rail, etc. This could be something that helps us create a much-needed pedestrian link over I-69 at Morrish Road. With new retail coming, and the school's Cage Fieldhouse there, it makes sense to connect this to Applecreek and the rest of downtown to the south.

OHM will be writing a grant for this, but in typical federal fashion, it is only a planning grant at this point. This means that we are going to spend a couple thousand to apply for a grant that that will cover the federal planning requirements for the improvement itself. This plan is estimated to cost \$80,000 and is what the planning grant will cover. Once complete, we can make application for the improvement grant itself. If this seems like a long and tedious process, it is. However, it may be the best way to address this need.

- ✓ **WATER – SEWER ISSUES PENDING** *(See Individual Category)*
 - ✓ **SEWER REHABILITATION PROGRAM** *(No Change of Status)*

Inliner has only four more segments to do. This project should be wrapped up very shortly and included Morrish, from I-69 to Miller Road (I-69 north was constructed in about 2006 when the county interceptor was installed in Clayton Township, and Morrish Road, from the south city limits to the creek is now an inter-community collector). They will also be doing Miller from Paul Fortino to the west city limit of the line.

We are also putting together a more formal five-year city-wide cleaning program. This was being put on the back burner so that we can put more resources into lining instead of cleaning. Again, the benefit is that lining is relatively cheap, so the more we do now the better. In addition, the lining program is so aggressive that the result is still about 2 miles (10%) of the system being cleaned in the process. This is short of the 20% we seek to attain, but it is reasonable.

The total cost for 2023 work was \$646,078. The big 'take away' is that we are still aggressively lining the system, which is extraordinary. The next implication is that our 20 year plan has been modified enough to lose some of its validity. This is common when plans mature. Knowing this, we plan to update our maintenance and lining records into our GIS mapping system as soon as possible so we can put forth a modified 5 and 20 year sewer maintenance plan. I do not have a timeline on this.

Note that lining work in 2024 may be reduced in scale due to the large investment made in 2023.

✓ **WATER MAIN REPLACEMENT - USDA** (*Business Item*)

The USDA water main project is approved. We do not have a closing date for the loan or a start date yet on the work. I will keep the council informed.

This water project includes the remainder of the Winchester Village Streets:

Greenleaf
Winshall
Durwood
Norbury
Whitney
Seymour (partial section only)

Per the request of the USDA, I am requesting authorization from the city council to approve payment requests for completed work on a routine basis. This is in line with our standard practices and the first phase of USDA work. The practice is also aligned with our local processes for payment approval, but the USDA is seeking affirmation from the city council. Payments will only be authorized after submission by the contractor and affirmation of validity by the city engineer. They can they be expedited for payment (and subsequent reimbursement by the USDA to the city). A resolution is included to enable this.

✓ **WATER SYSTEM MISCELLANEOUS** (*No Change of Status*)

We have paid an invoice to have the county begin work to abandon the 8" Dye Road water main in the vicinity of the rail line (west side of Dye). They will be using their pre-qualified contractor, Waldorf, to perform the work, and I expect them to start at any

time. The cost to perform the work is estimated to be \$17,740. We have budgeted for this, and based upon our operating agreements with the county, we should not require any other formalities or resolutions to proceed.

We are working to get the contractor onsite sooner than later, but we cannot force this issue, nor can we directly work on the county lines.

Moving these customers from the west side to the east side will allow the city to abandon the Dye line south of the rail. We think this is a great move to avoid potentially serious issues down the road. This line is a dead end and is prone to breaks, which can be very costly and dangerous near the rail spur. Note that the city will still maintain the water customers, even though they are on the county's intercommunity line. This is a clear long-term win for the city.

The previous report follows.

GCDC, Mundy, and Gaines have bid out a new section of water main that is supposed to connect Elms/Maple to Hill, and on to Morrish. This will provide some additional redundancy for the system. However, it does not take care of our extreme west end, where we have a pronounced need for a second feed from either Clayton or Gaines. Note that this could also encourage some new development south of the city, which is common to experience when utilities are extended during strong economic periods.

As presented by the GCDC on April 12, 2022, the new county Master Plan includes a northern loop and southern loop option to provide redundancy and stability to the system. This is good news since Gaines and Clayton Township rely on the overstressed Miller line. There will not be any cost participation by the city, but the timeline is unclear. There are rumors that recovery act funds may be put forth to accelerate a loop.

✓ **COMMERCIAL METERS AND TRANSPONDERS** *(No Change of Status)*

All equipment is installed. The water tower collector is working and is collecting about 75% of accounts on its own. The number of unread meters for the west end is very low, which is a great sign of the tower effectiveness. Even though we are not using this system for billing, we have already used it to notify owners of two detected leaks!

The Elms tower requires power, but we expect that soon. Staff was trained on the platform on October 24th. This went well. We MAY be able to conduct winter reads with the system. See the report from August 11, 2022, for details on this program.

✓ **HERITAGE VACANT LOTS** *(No Change of Status)*

The last of the lots acquired prior to the special assessment have been sold. The city also has two more lots that were acquired through the tax reversion process. There is interest by the builder to proceed with acquisition and construction. In addition, the association manager reached out about permitted designs and builders for the subdivision. There could be renewed interest in some building. This would finally clear us of the subdivision and put the association in a better position to build membership and dues for their operations.

Though the city cannot retain funds in addition to expenses for these lots, we are still expected to sell them at market value. Listings in Heritage for vacant units are \$10,000-\$12,000, and none of them are moving. I propose a price of \$10,000 for each lot. If there is no objection, I will bring this back to the council for the first step of the sale process.

✓ **NEWSLETTER** (*No Change of Status*)

The fall newsletter is out. Let me know what you think.

✓ **CONSTRUCTION & DEVELOPMENT UPDATE** (*See Individual Category*)

This will be a standing section of the report that provides a consolidated list for a brief status on public and private construction/developmental projects in the city.

1. **(Update)** The **raceway owner affirmed the removal of two out-buildings imminently**. The site is not formally for sale, nor is there a concept plan for reuse. However, the owner now indicates the potential to list the property after the buildings come down, presumably very early in 2024. As of writing, a demolition permit for those buildings has been filed and paid for, and Consumers Energy has notified us of a utility disconnect.
2. **(Update)** The **reuse of Mary Crapo is becoming a reality**. The school has concept plans for a varsity baseball field. They were previously open to a partnership that may allow the DDA to pursue seasonal skating and/or public art. It appears this is still part of the plan. It also appears that their plans may have an impact on the lane configuration for Ingalls. A detailed plan is expected in January.
3. **Street repair in 2024** is moving forward. We just need a start date!
4. The **Brewer Condo Project** first tri-plex is complete and for sale. We can affirm now that two of three units have sold! The third is apparently under contract for sale. The builder reached out to discuss the future phases. He said there is a lot of interest in the concept and location. However, the lack of a ground floor master bedroom is a non-starter for most buyers. He believes they can redesign the layout to accommodate this need, which might result in the future phases being multi-story duplexes. I indicated that this may be the best path forward. A site plan revision would be necessary.
5. The next **Springbrook East** phase is under construction. **There appears to be a sale of this project occurring**. Nothing is official yet, but it is likely that there will be a new builder for future phases. In the meantime, there are three units available in the current phase. We are beginning the process of inspecting infrastructure for final improvements and the eventual transfer to the city.
6. The **southwest corner of Elms & Miller** is seeing some increased activity. We have a judgement to demolish the building on the corner. We received word from a design company that they are working on a site plan, and that the building should be coming down by the owner. If not, we are getting the work lined up.
7. **Park projects** are complete and include both basketball courts and Elm's tennis courts. Paint markings on the Elms basketball courts are done. There is also an opportunity to mark the open area next to these for some use (pickleball, a 2D toddler village, etc.)
8. We have some interest in two **Meijer out lots**, as well as some potential **downtown renovations**. There are no applications or site plans, but I will keep the council informed if anything takes shape.

9. **New Businesses.** TruEco Construction is upfitting the old bakery. They were awarded a façade grant by the DDA on November 9th. I have also been informed that the Lorenzo's Dip and Dine DOES plan to rebuild in some form. Lastly, Letavis is rehabilitating their commercial building by the car wash.
10. **Mundy Megasite/Costco.** Costco now has site plan approval for a location off Hill Road by US 23. There is no update regarding the megasite that the MEDC and regional chamber are marketing on Maple Avenue. We have had no official communication from either of these groups on this matter, which is surprising and does not instill confidence. The public presented a petition to place a moratorium on this project to Mundy Township on October 23rd.

✓ **SAFE ROUTES TO SCHOOL** *(No Change of Status)*

The project is substantially complete, and the engineer is working through the final punch list items. Overall, we are quite pleased with the quality of work, project timing, and price (we expect to come in at or below budget).

The fence for Fairchild at the creek has been ordered. We are also installing a fence at Elms School, to be gated during school hours.

✓ **REDEVELOPMENT READY COMMUNITIES** *(No Change of Status)*

Most recently, we have embarked on the renewal process with the MEDC to retain our status as a Redevelopment Ready Community. They are going to work with us over the next twelve months to ensure we are aligning with the most up-to-date best practices and guidelines. The areas that still need work are highlighted in the report (October 23, 2023 packet).

We met with our MEDC representative on October 24th to go over this. I am happy to say that we are aligned already with 72% of the benchmarks, and I am confident that we will be able to align with full expectations in a short amount of time. The only item for concern, which is more procedural in nature, is whether or not we need to formally update our marketing plan. Otherwise, most changes could be made quite readily.

The Methodist Church project is being heavily marketed. In the meantime, we have affirmed that there is already a restaurant user that has a purchase agreement on the property! This could be great news for the building and the downtown! We met with this individual and the MEDC team. There is a lot of optimism. I believe this will be a slow but steady project, so we should not expect movement in the next year.

There is another downtown property owner that is considering a transformational investment in their property using the RRC architectural services. Time will reveal if this bears fruit. I expect another renovation for an existing building on Miller Road to submit plans for the planning commission.

Our community continues to pursue a crowd funding match for a public place enhancement. The Public Places, Community Spaces opportunity is a big deal and can provide up to \$50,000 towards a downtown project (perhaps as much as \$75,000 if it includes universal design)!

A steering committee has been formed to tackle this project. Initial pricing for an engineered space was very high. We are now working with a community group that consists of a local architect, builder, and staff to see if we can source something more approachable. We have a concept (included in the packet), and we met onsite with JW Morgan construction and a materials vendor. We should have some initial pricing within 30 days.

The concept is to invest in Holland Square to provide built-in structures for community seating, vending, entertainment, and related activities. There are a couple examples of this already that seem to work well in public spaces. Such a concept would activate Holland Square along Miller Road by providing social interactions, market activities, and some recreation. It would also include lighting, sound systems, and some shade/weather protection. Parking would be reduced but only minimally. Another Michigan community achieved their funding goal to realize their vision this month!

✓ **TAX REVERTED PROPERTY USE** (*No Change of Status*)

Concerning previously acquired property, the Wade Street property that the city acquired on the corner of Second Street is in the flood plain. J.W. Morgan was looking at it, but they have their hands full elsewhere, and this is a marginal site. I think we should consider looking to sell the property to a neighbor or having a home built ourselves. For the later option, I suspect we will not get our money back in the sale. However, we can take a tax exempt property with annual maintenance costs and put it on the tax rolls. Doing so would provide over \$1,000 a year to our respective local levies & assessments...forever.

The site has been cleared of personal property as requested.

✓ **CDBG** (*No Change of Status*)

A preliminary application has been submitted to the Genesee County Metropolitan Planning Commission for the 2025-2027 Community Development Block Grant program. We are in line to receive a total of \$35,189 for this allotment. Monies available for investment in the qualifying geography (south downtown) would be \$29,910.65 with a 15% contribution to the senior center. Based on the November 27 hearing, we are submitting downtown street lighting as the public work project portion, with 15% allocated to senior services provided by the Swartz Creek Area Senior Center.

Concerning the current cycle, we signed the agreements, which means we can bid the projects during the winter. The project that is to be completed in 2024 consists of adding new sidewalk in the downtown area. I am looking to do some preliminary cost analysis to run sidewalk down the east sides of McLain and School to the trail. If this is in the ballpark of \$40,000-\$50,000, we can create a bid specification to complete this work, largely with CDBG funds. As of writing, it appears to be about \$100,000, so we may look to add walk to only one street, even if we bid both to ascertain the actual costs first.

✓ **DISC GOLF** (*No Change of Status*)

Shattered Chains completed another work day. They are very happy with the results. We appear to be in the final stretch to make the course playable!

✓ **PAVILION COMMITMENT/GRANTS** (*No Change of Status*)

We have an initial commitment from Kildee's office for funds to support the development of Otterburn. We were not awarded the potential \$150,000 from the DNR Recreation Passport Grant. Apparently, there was only \$2,000,000 available state wide, and there were no awards to our region. Our grant writer is suggesting we attempt a spring application for the DNR Trust Fund. I am not excited to prolong the project to 2025 by entering that program, but we may need the resources. In addition, Congress is moving very slowly in committing funds on their end, so a wait may not truly delay anything at this point. We have some time to consider this through the winter months. There are also some verbal commitments from the BeeMoreLikeJentery group.

I will keep the council informed. Once there is a clear picture of all funds available, we should be able to scale the project to meet a reasonable budget.

✓ **SPEEDING AND TRAFFIC CONTROL** (*Update*)

Mary Crapo is likely to be used as a sport facility for the school. Initial indications are that the Ingalls Street side of the block MAY be altered to accommodate additional parking. At this point, there is not a plan to physically alter the street, but markings could be placed to dedicate parallel parking on the north side, with a double yellow divider to denote two-way traffic for the south two-thirds of the road.

In other news, the Metro PD budget officially includes the provision of a new position, full time traffic enforcement officer. I think this will be a very visible position that will create awareness of appropriate speeds in the community in 2024.

We are still very interested in comprehensive traffic calming where opportunities arise (addition of street trees, narrower lanes, speed monitoring, etc). Specifically, we believe we can begin to add 'SLOW' or '25 MPH' markings on the lanes of designated streets. The idea is to create more awareness and accountability as folks enter the community and enter neighborhoods. We may be able to move or place such signs on Seymour, Ingalls, or other areas if we find they are useful. Examples are shown below.

✓ **FIBER INSTALLATION** (*No Change of Status*)

The city attorney and staff have been pursuing answers and remedies from Frontier as it relates to the outages that have been caused by the installation of fiber, specifically in areas of existing overhead wires. Genesee County 911 has also been assisting. I have gotten calls from the Michigan Public Service Commission, as well as Frontier. They indicate that there have been large numbers of outages, but they believe they have addressed them all. I passed on some open issues that I was aware of and noted that the problem appears to

extend beyond formal complaints. It appears we have their attention, and I suspect they will work to close any open cases.

If anyone still has an issue, they should open a case directly with the MPSC or contact the city office.

The previous report follows.

All but two of Frontier's fiber permits are approved. Work on installation has begun in the city and surrounding townships. We are getting many reports of phone service outages, unprofessional workers, and unsightly/inconvenient working areas. I have made the Michigan Public Service Commission aware of these issues. The previous report follows.

Frontier is planning to expand the fiber communications network to the entire city. In the next 12-24 months, we should see the buildout of the primary fiber network, which will enable nearly every commercial and residential user to have access.

In short, the network will follow the existing copper lines. If the lines are buried, the fiber will be bored into the same 'trench'. If they are aerial, the fiber will be wrapped into place on the existing lines. (Copper lines are required to remain in place because they function on their own battery backup system and provide an essential service during power outages).

We do not expect any new utility conflict issues, nor do we expect any of our right of ways to experience unreasonable disturbances or pavement breaks. We also talked at length about the need to clean up the current overhead wires in cases where there is superfluous cable/wire, sagging lines, stub poles, etc. They indicate this is a big part of the investment.

✓ **SOLAR SYSTEM MODEL** (*No Change of Status*)

It appears this crowdfunding drive will officially start on January 8, 2024. Let Samantha know if you are aware of any potential donors! The previous report follows.

We are continuing to seek funding for the solar system model that was proposed to run between Elms and Otterburn Parks. We officially have a partner with an observatory in Nelson, NZ (they requested metric units for their sign). This will require the purchase and shipping of a sign station to New Zealand, or payment for a sign constructed locally in New Zealand. However, since we are approved to use the MEDC RRC crowdfunding and external grants, we think this is worth it. Who knows, we may even create a Guinness Record for the world's biggest scale model.

Note that we are including wayfinding (directional) signs for this stretch that goes between Elms, Otterburn, and Elms School. This will serve to keep those unfamiliar with the area on track. This requires a new set of proposals from Signs by Crannie.

At this point, we are about ready to go live with the crowdfunding effort to raise the other half of the funds. This is still a big ask for the community. The city has committed \$8,750, which will be matched by the program. The rest will be made up of individual and business contributions on the crowdfunding platform. Again, the state will match 50-50 within limits.

We contrived an interactive scale model of the solar system that could be displayed and described on the new trail. The idea is that the sun would be at the Elms trail head, with Neptune at Otterburn Park. Folks can walk/bike the distance and learn about the solar system, seeing the solar bodies in scale imagery/models.

We have begun preliminary conversations with Nelson, New Zealand to participate. Their community is 8,630 miles away, which reflects the approximate distance to the next closest star.

The park board approved this concept for installation at their May meeting.

✓ **PUBLIC SAFETY ASSESSMENT (*Business Item*)**

The city council resolved to proceed with the public safety special assessment district (SAD). The district is to include all real, non-exempt property in the city limits, be established with a rate of 4.9 mils, have a term of ten years, and be subject to an annual 10% total revenue increase limit. These terms and conditions match the 2013 original SAD. Please see the complete report for details.

A public hearing is scheduled for December 18th during the regular city council meeting. Notice has been mailed out to all owners of record, as well as published in the Swartz Creek View (November 30, 2023). At this meeting, I will give the presentation again, public input will be solicited, and the council will deliberate and likely vote on the issue of formally establishing the district.

Mr. Stritmatter reported that the 10% maximum annual revenue increase is driven by statute. The council can alter the levy annually as long as revenues are within this threshold. The previous report follows.

The 4.9 mil special assessment district that was approved in 2013 to fund fire, fire apparatus, and police services expires this year. This revenue source consists of a city-wide levy on real property, which currently funds about 50% of all such expenses. Because the district is city-wide, the assessment functions much like a tax with the exception that it is not applied to personal property and it is not subject to Headlee rollbacks.

At the October 23, 2023 meeting, the City Council directed staff to prepare a report on a special assessment district for public safety. This includes an estimation of the costs needed for fire service, fire apparatus, police service, and the facilities that house them. Because the question at hand includes a renewal of an existing 4.9 mil public safety assessment, staff is also able to provide the most recent special assessment district roll, which includes revenues and the impact on each piece of property. We can also project expenses and the proportion of expenses that these revenues cover. This is included in the "Public Safety Assessment Revenue and Expense Report."

The council also scheduled a public hearing to consider the estimate, the assessment roll, the need for the special assessment, and to hear objections. The public hearing notice was sent by first-class mail to all real property record owners of record according to the last tax roll, as reviewed by the City Board of Review, at least 10 days prior to the hearing. Publication of the notice was also placed in the local newspaper.

With the assessment and budgets firmly in place and functional for the past decade, staff finds that a renewal of the same boundaries (all city parcels) and same rate (4.9 mils) will suffice to maintain services. Our fiscal year budget is already approved through June 30th and is funded at the current service level for police and fire. Note that this levy can increase by up to 10% in any given year. This has never occurred, but it could be employed if the fire apparatus budget requires additional revenues.

The attached report (November 13, 2023 meeting) outlines the history of the assessment and its impact. I have provided background on the city's finances that led to the SAD, as well as current budgets, the current assessment roll (to be formally adopted), and some applicable tables regarding tax efforts.

I plan to summarize the findings in a presentation to the council and public prior to the hearing. Pending input and findings from the hearing, I recommend the council proceed with considering the district at a second hearing on December 18, 2023. This hearing will require the same notice as the first. If agreeable, the assessment would be renewed for an additional ten years at the same rate.

If there are any general or specific questions that council members have, please let the rest of council and/or myself know.

✓ **BROWN ROAD LAND SALE OPTION** *(No Change of Status)*

The city opted not to pursue the option for the sale of Brown Road. I have relayed this information to the Shiawassee Economic Development Partnership. The director completely understands. While he may wish to pursue a first-right-of-refusal agreement, at this point it seems enough to know that the city is open to marketing the property to a potential user.

In the meantime, they requested to perform wetland delineation of the entire area. I indicated that the city would allow delineation of wetlands on city-owned property if a professional service company was conducting the definition and added the city as an additionally insured party. We have insurance, and they are likely conducting fieldwork.

✓ **CROSS CONNECTION SHUT OFFS** *(No Change of Status)*

I did affirm that the Michigan EGLE does require residential cross connections. I sent this requirement to the council via email on October 24th. Let me know if you did not see this. We also conducted a background check on the Hydrocorp inspector, which came back good. The previous report follows.

As previously noted, we have postponed imminent shut-offs and the related hearings before the city council. I have concerns that there are not enough inspection slots for all outstanding inspections to sign up, making the process impossible to complete for all users. We are going to consider the matter in the coming months to come up with a long term strategy that is predictable, fair, and productive as it relates to getting compliance with the residential cross connection inspections. The previous report follows.

There are a number of water connections identified in the city that have devices in the internal plumbing that require independent testing and verification in order to comply with

the state requirements for cross connections. At this point, we have many commercial and residential customers that are out of compliance after two separate notices. The inspector has sent out a service termination notice that gives the customer until December 8th to comply. If they do not, they can appear at the December 11, 2023 city council meeting to appeal the decision to terminate service. After that point and depending upon the outcome of any deliberation at the December 11 meeting, the city will be compelled to terminate water service.

This is not something we wish to be pursuing, but the expectations for cross connection are objective and reasonable.

✓ **HERITAGE STREET LIGHTS** *(Update)*

It appears that black fiberglass poles with a standard 'traditional' light head can be installed for \$100 each. Consumers believes that there is already conduit in the ground. With that said, this should be a relatively simple update to the street lighting contract. The previous report follows.

The north area of Heritage Village never had any street lights installed by the developer. The front of Heritage has decorative posts. As more homes are built in this area (Heritage Blvd, north of Concord Dr), the residents have expressed a desire for street lights. The homeowners association has been liaising with us about the style of such lights.

Decorative lights come at a high cost (usually \$2,000), while standard lights can be installed for about \$100 each. While the city can strategically install some decorative lights in neighborhoods, such as those in the Winchester Village reconstruction area, the city has not been able to supply decorative lights as the standard.

With that said, the HOA is requesting black fiberglass posts with cobra head LEDs. This appears to be a very reasonable approach. Since streetlighting is an expectation for the community, and the streets are public, I have put a request in for Consumers Energy to plan for and install those. Service will be underground. More details will follow. Prior to installation, the city council will receive an amendment request for our street lighting contract.

✓ **ELECTION WORK WAGES** *(No Change of Status)*

Renee has conducted a county and state wage comparison for election workers. Our worker wages are substantially lower. I expect our election commission to consider these findings and recommended increases for the city council to consider. As we enter the presidential election year, complete with nine day early voting, I strongly recommend we maintain a competitive advantage on recruiting and retaining these valuable workers. I expect to have something for the council in January.

✓ **OTHER POST EMPLOYMENT BENEFIT ACTUARIAL** *(No Change of Status)*

The city is required to complete another third-party complete analysis of the OPEB costs that the city maintains. This includes post-retirement benefits for existing retirees, including premium contributions and/or stipends for health care. It also includes commitments made to police staff prior to the merger.

A full analysis is required every three years, with the other two years in the cycle being report updates. Since we are due for a full analysis, we are seeking a proposal from CBIZ, the professional service firm that conducted the prior analysis. This group has strong familiarity with our situation, being unique because of the police liabilities. I expect to have a proposal in January.

✓ **POLLING LOCATION AGREEMENT** *(No Change of Status)*

While nine-day early voting is to occur at the city hall, the election day functions still occur at the United Methodist Church at 7400 Miller Road. I expect this to continue until such time, if ever, that early voting reduces election day turnout to about 20% of total voter turnout. With that said, the agreement to use these facilities expires at the end of the year. The church trustees are very agreeable to a new agreement under the same terms and conditions, provided there is a reasonable increase to the fees. The increase they propose over the 2019 pricing is 8.9%. This is not unreasonable in my opinion. I expect to have a draft agreement for the council in January.

✓ **OTHER COMMUNICATIONS & HAPPENINGS** *(See Individual Category)*

✓ **MONTHLY REPORTS** *(Update)*

There are no additional reports for this meeting!

✓ **BOARDS & COMMISSIONS** *(See Individual Category)*

✓ **PLANNING COMMISSION** *(Update)*

There was not a December meeting. I still have a number of interested parties that have concept or site plans in the works for downtown and the Meijer area. It seems less likely that something will come in this calendar year though. The next regular meeting is scheduled for January 9, 2024 (one week later due to the holiday). February 6, 2024, will be the commission's annual meeting.

✓ **DOWNTOWN DEVELOPMENT AUTHORITY** *(Update)*

The next regular meeting is scheduled for January 11, 2024.

✓ **ZONING BOARD OF APPEALS** *(Update)*

The ZBA has not met since their 2023 annual meeting. There are no pending variances, appeals, or interpretations.

✓ **PARKS AND RECREATION COMMISSION** *(Update)*

The park board met on November 21st. It was a short meeting. They set out to conduct this year's Christmas decorating contest, the results of which should be in the December 21st edition of the Swartz Creek View. They also engaged a local resident in a fundraiser for forestry. The resident can produce vinyl graphics of Swartz Creek Dragons for which all proceeds can support future forestry and natural beautification.

December 19th has been cancelled. The next regular meeting is scheduled for January 16, 2024.

✓ **BOARD OF REVIEW** *(Update)*

The Board of Review convened on December 12th at 3:30. I do not yet have a report on their deliberations, if any.

✓ **CLERK'S OFFICE/ELECTION UPDATE (Update)**

Routine duties include record management, publications, FOIA request, human resources, payroll approval and everything related to elections.

The State mandated Early Voting notices were mailed to every elector last week and all residents should have received them. If you did not receive one, please contact the Clerk's department.

Absentee Voter Applications and Permanent Ballot Selection Forms have been ordered and should be mailed before the end of the year.

✓ **DEPARTMENT OF COMMUNITY SERVICES UPDATE (Update)**

- ❑ DPS continues to GPS water and sewer assets. This will be ongoing for most of the year as we have time available.
- ❑ DPS listed a plow truck on Bid Corp. Truck did not meet the reserve and did not sell. We are going to relist the truck without a reserve price on it and sell it for whatever the auction brings.
- ❑ The intersection of Miller and Fairchild traffic signal timing has been changed due to the signal wire on Fairchild being hit while milling. The county is working on getting the wire replaced. The signal timing now is causing excessive traffic on Miller Rd. during school drop off and pick up. Still waiting on GCRC to fix this. GCRC has completed the repair on this intersection and the light is now sensoring traffic again allowing Miller Rd. traffic to continue to flow until someone pulls up to the light on Fairchild.
- ❑ The Last phase of USDA project in the village is moving forward.
- ❑ The crosswalk signal on the Northeast corner of Miller and Morrish was hit by a truck and will require a new foundation, conduit and wiring to repair it. This will be an extensive repair will take some time.

✓ **TREASURER UPDATE (Update)**

Winter tax bills are out and payments are coming in. Routine operations include, but are not limited to, processing payments for utility bills, tax bills, delinquent personal and qualified real taxes, building permits, daily/weekly/monthly journal entries, bank wires, review/approval of accounts payable invoices, issuance of building permits and rental inspection collections, processing payroll, accounting for grants and projects and other financial matters impacting the city.

✓ **ECONOMIC DEVELOPMENT UPDATE (Update)**

The first Volunteer Recognition night was a success! I think it turned out well and is something that should be added onto and repeated annually. I have some ideas already on how to make it better next year.

I am still regularly communicating with businesses throughout Swartz Creek. There are 2 that are interested in the Match on Main program, minimally. They may also be interested in the façade match program as well.

I've created a Swartz Creek "Holiday Shopping Guide" that I've been sharing on social media and with local businesses. I've been doing my best to help encourage the public to

shop local this holiday season. A purchase with a small, locally owned difference has a much greater impact than with Big Box stores.

As the year ends I'm starting to plan things for next year and am continuing to review and make notes on progress the city has made with regards to the economic development strategy and the marketing/ branding strategy.

NEW BUSINESS / PROJECTED ISSUES & PROJECTS

✓ **APPOINTMENTS (Update)**

There are still two vacancies that need to be filled. One is for park board, a seat vacated by Mr. Brandon Greiner. There was also a resignation by Mr. Thomas Currier of the Planning Commission. As of writing, there are not any recommendations.

✓ **8060 MILLER ROAD (Update)**

We received a court judgement on August 11, 2023, that enables the city to enter onto this site to repair the parking lot deficiency and related drainage issues. Unfortunately, we were not able to access the site, even for detailed assessment, until December 11, 2023, per the judgment. This puts the city in a tough spot to complete the work timely before more winter weather. The site issues create a dire situation on the sidewalk and street because of sheeting water from the parking lot that is unable to drain appropriately. This creates very notable icing that is difficult to manage.

As such, we have retained a contractor to assess and repair the matter with the understanding that time is of the essence in order to avoid hazardous conditions. We are not going to take the time to engineer and bid a solution, as permitted by our finance ordinance. All incurred costs will be assessed to the property.

This issue has been known to the owner for a very long period of time, as has the August 11, 2023, judgement.

Council Questions, Inquiries, Requests, Comments, and Notes

City Boundary: There is a discrepancy in the municipal boundary between what is in our charter and what was filed with the state in 1958. This is reflected as a difference between the boundary we use for all intents and purposes with that of the census map that is utilized by the state. We are making corrections now. This will result in more accurate (increased) population counts, road miles, and GIS information. As of writing, I am not sure this is going to be worked out.

**City of Swartz Creek
RESOLUTIONS
Regular Council Meeting, Monday, December 18, 2023, 7:00 P.M.**

Motion No. 231218-4A **MINUTES – DECEMBER 11, 2023**

Motion by Councilmember: _____

I Move the Swartz Creek City Council approve the Minutes of the Regular Council Meeting held Monday, December 11, 2023, to be circulated and placed on file.

Resolution No. 231218–8B **RESOLUTION TO APPROVE A PUBLIC SAFETY ASSESSMENT DISTRICT, APPROVE ASSESSMENT ROLL, ORDER WARRANT, AND ORDER COLLECTION**

Motion by Councilmember: _____

WHEREAS, in accordance with the provisions of PA 33 of 1951 (MCL 41.801 et seq), on November 13, 2023, the City Council approved establishment of a city wide public safety special assessment district; and

WHEREAS following receipt of said special assessment roll, the City Council scheduled a public hearing on said roll to be held on December 18, 2023; and

WHEREAS, due notice of same having been published and mailed as required by law, the City Council has conducted said public hearing.

NOW, THEREFORE, BE IT RESOLVED that the Swartz Creek City Council hereby determines that it is satisfied that the special assessments on the roll have been spread in proportion to the benefits received by the properties in the district; and

BE IT FURTHER RESOLVED that the City Council hereby confirms the special assessment roll for the public safety special assessment district which will consist of all parcels located within the City of Swartz Creek and directs that said special assessment roll be placed on file with the city clerk; and

BE IT FURTHER RESOLVED that the city clerk is hereby directed to attach her warrant to the special assessment roll within 10 days from the date hereof; and

BE IT FURTHER RESOLVED that the city assessor is hereby directed to assign the amounts on the special assessment roll and directs the city treasurer to collect the amounts on the said special assessment roll beginning with the summer 2024 tax collection.

Resolution No. 231218-8C

RESOLUTION TO APPROVE THE MDOT AGREEMENT FOR THE TRANSPORTATION ECONOMIC DEVELOPMENT FUND CATEGORY B

Motion by Councilmember: _____

WHEREAS, the City of Swartz Creek owns, operates, and maintains a system of major and local streets, some of which qualify for grant funds, as supplied by the State of Michigan MDOT via the Transportation Economic Development Fund (TED) Category “B”; and

WHEREAS, the City has been awarded \$248,850 of such funds to rehabilitate existing asphalt surfaces on select streets in an area known as Winchester Woods, including the provision of hot mix asphalt to Chesterfield Drive, Eton Court, Birchcrest Drive, Young Drive, Oakview Drive, and Valleyview Drive; and

WHEREAS, the project requires an agreement with the MDOT to provide terms and conditions for the commencement of the project and payment by the State of Michigan.

NOW, THEREFORE, BE IT RESOLVED, the Swartz Creek City Council approves the agreement with the MDOT for the TED funds as detailed in the attached agreement, referenced as Contract #23-5534, Control Section Number EDV 25000, Job Number 220037CON.

BE IT FURTHER RESOLVED, the Swartz Creek City Council designates Mayor David A. Krueger and Clerk Renee Kraft as signatories for the MDOT contract.

RESOLUTION AUTHORIZING ADMINISTRATIVE APPROVAL OF CONTRACTOR PROGRESS PAYMENT REQUESTS FOR USDA RURAL DEVELOPMENT FUNDS AND STREET RECONSTRUCTION

Motion by Councilmember: _____

WHEREAS, the City of Swartz Creek closed on a USDA grant and loan program to support water main improvements in the city, and

WHEREAS, the USDA requires that all expenses related to the water main projects be approved by the city council for a reimbursement draw, prior to submitting such a request to the USDA, and

WHEREAS, the expenses for the work have been approved with a unit-based contract, and

WHEREAS, routine draws are to be processed by the City Treasurer, reviewed by the City Council, and submitted to the USDA for reimbursement within narrow time limits.

NOW, THEREFORE, BE IT RESOLVED the City of Swartz Creek City Council authorizes the City Manager to approve progress payment requests for the USDA and related road work within the limits and expectations of the 2024 City of Swartz Creek water main and Local Road Improvements construction contract on file in the city clerk’s office.

BE IT FURTHER RESOLVED, that the Treasurer shall submit evidence of such payment to the city council on a monthly basis.

**CITY OF SWARTZ CREEK
SWARTZ CREEK, MICHIGAN
MINUTES OF THE REGULAR COUNCIL MEETING
DATE 12/11/2023**

The meeting was called to order at 6:00 p.m. by Mayor Krueger in the Swartz Creek City Council Chambers, 8083 Civic Drive.

Invocation and Pledge of Allegiance.

Councilmembers Present: Cramer, Spillane, Gilbert, Hicks, Krueger, Knickerbocker, Henry.

Councilmembers Absent: None.

Staff Present: City Manager Adam Zettel, Clerk Renee Kraft.

Others Present: Lucinda Brier, Sandra Dively, Diane Campbell, Rosemary Robinson, Wanda Tyler, Mike Suchodolski, Tammy Parenteau, Ken and Sandi Brill, Boots Abrams, Autumn Jesme, Tim and Angie Buda, Roger Meier, Shirley Pittsley, Linda Evans, Jan Sulz, Ranae Hendricks, Lisa Spillane, Ryan Spillane, Jeremy Dewar

Others Virtually Attended: Lania Rocha

APPROVAL OF MINUTES

Resolution No. 231211-01

(Carried)

Motion by Councilmember Spillane
Second by Councilmember Gilbert

I Move the Swartz Creek City Council approve the Minutes of the Regular Council Meeting held Monday November 27, 2023, to be circulated and placed on file.

YES: Spillane, Gilbert, Hicks, Krueger, Knickerbocker, Henry, Cramer.
NO: None. Motion Declared Carried.

APPROVAL OF AGENDA

Resolution No. 231211-02

(Carried)

Motion by Councilmember Henry
Second by Councilmember Cramer

I Move the Swartz Creek City Council approve the Agenda as printed for the Regular Council Meeting of December 11, 2023, to be circulated and placed on file.

YES: Gilbert, Hicks, Krueger, Knickerbocker, Henry, Cramer, Spillane.
NO: None. Motion Declared Carried.

CITY MANAGER’S REPORT

Resolution No. 231211-03

(Carried)

Motion by Councilmember Cramer
Second by Mayor Pro Tem Hicks

I Move the Swartz Creek City Council accept the City Manager’s Report of December 11, 2023, including reports and communications to be circulated and placed on file.

Discussion Ensued.

YES: Hicks, Krueger, Knickerbocker, Henry, Cramer, Spillane, Gilbert.
NO: None. Motion Declared Carried.

MEETING OPENED TO THE PUBLIC:

None.

COUNCIL BUSINESS:

Community Volunteer Recognition

Volunteer Recognition List – 2023

Joe Perrault, Mike Martin, and Jenye Keely over the past several years have spent numerous hours of their free time by volunteering at Elms Park. They routinely take care of the garden bed around the Elms Park entry sign; trim vines, bushes and other growth from the fence; and a variety of other tasks that make Elms Park a more inviting and friendly place to visit. The amount of time invested for these duties over the years is beyond measure!

The Swartz Creek Area General Federation of Women’s Clubs has been the caretaker of the downtown Swartz Creek area for many years. They plant and maintain a wonderful myriad of flowers, and they also provide and place many of the seasonal decorations. Without this contribution of time and effort from the

GFWC, the downtown would not be as welcoming or have the small town feel that these additions truly add. This group has also been very active in raising and contributing funds to various community needs, including the police and fire departments as well as the parks.

Boy Scouts Troop 122 have helped the community routinely, with service to maintain the flag retirement station where they take time to recover and retire community flags. They have also contributed to the development of many upstanding and committed youths in the community who have committed greatly to enhancing our public areas. Many Eagle Scout projects have had a defining impact, such as the community dog park, Elms Park grills, Elms Park orientation course, and the flag retirement station.

The Swartz Creek Area Firefighter's Association have contributed much to the Swartz Creek community over the years. They have stepped up and volunteered many summer hours by managing the sound and visual equipment for Family Movie Nights, they've provided water and additional hands for the annual Slip and Slide, and coordinate the annual Christmas Parade. Many of the community's most beloved events would not be possible without this group.

Shattered Chains has been working with the park board and city staff over the last several years to turn a vacant lot into the Otterburn Disc Golf Park. They have donated hundreds of hours of labor and their own resources into landscaping and shaping the park, as well as raising funds and installing baskets and tee pads. They've also helped coordinate and operate the last two annual Slip and Slide events.

The Friends of Abrams Park have been volunteering at Abrams Park by maintaining the entryway sign and garden bed of the park. They've also taken up the initiative of fundraising for various additions to the park, such as a sand table, new sand digger, and toys for the sand box. This effort makes a difference.

Cornerstone Baptist Church has an annual community service project which they regularly hold in Swartz Creek. Every year they volunteer to help with projects at Elms Park such as staining the wooden playscape and picnic tables, picking up trash, and even pulling stray weeds when they see them.

The Swartz Creek Kiwanis Club has been active in Elms Park for years. In fact, the primary pavilion holds the name of the Swartz Creek Kiwanis Club, as the

construction of this pavilion is largely owed to this group. The Kiwanis are still very active in the community, hosting the annual Art in the Park at Elms Park and providing volunteers for many events.

The Swartz Creek Area Historical Society most recently has spent a lot of time and effort procuring narratives and photographs for the Historical Sign project throughout the downtown area. They also preserve the history of Swartz Creek in a variety of ways and share it with the public. In addition, they maintain and update the mini-museum located within City Hall.

The Swartz Creek Athletic Boosters have been dedicated to the youth of the community and the Swartz Creek School District for many years. Without their many hours planning, coaching, assistance with cleanup and care of fields and equipment, the community would not be as lively as it is today.

MEETING OPENED TO THE PUBLIC:

None.

REMARKS BY COUNCILMEMBERS:

Councilmember Knickerbocker: Thanked all the organizations that serve Swartz Creek. Glad they could be recognized. Questioned if Lorenzo's insurance company was done and if we would start seeing some demolition? Reply-Investigation is still ongoing.

Councilmember Gilbert: Thanked and congratulated everyone for their hard work. Asked everyone to have a Merry Christmas.

Mayor Pro Tem Hicks: Has been a part of the community for many years and it is still her favorite place because of the people. Thanked them all for everything they do.

Councilmember Cramer: Wished everyone a Merry Christmas and a Happy New Year. Stated that the Christmas tree lighting was a success. Swartz Creek residents are our greatest asset

Councilmember Henry: Wished everyone a Merry Christmas and thanked them all for coming.

Councilmember Spillane: Thanked everyone in the community for their hard work. Was glad to see the fire fighters get recognized. Wished everyone Happy Holidays. Commented that Boy Scout Troop 122 has been around for a long time.

Councilmember Krueger: Stated the City Council is partners with the citizens to try to make Swartz Creek the best place to live. We wouldn't be what we are without all the volunteers. Wished everyone a very Merry Christmas and a Happy New Year.

ADJOURNMENT

Resolution No. 231211-08

(Carried)

Motion by Councilmember Gilbert
Second by Councilmember Henry

I Move the Swartz Creek City Council adjourn the regular meeting at 6:34 p.m.

Unanimous Voice Vote.

David A. Krueger, Mayor

Renee Kraft, CMC, MiPMC, City Clerk

Job Number 220037CON
Contract No. 23-5534

THIS CONTRACT is made by and between the MICHIGAN DEPARTMENT OF TRANSPORTATION, hereinafter referred to as the "DEPARTMENT;" and the CITY OF SWARTZ CREEK, a Michigan municipal corporation, hereinafter referred to as the "REQUESTING PARTY;" for the purpose of fixing the rights and obligations of the parties in agreeing to the following improvements, in Swartz Creek, Michigan, hereinafter referred to as the "PROJECT" and estimated in detail on EXHIBIT "I," dated November 20, 2023, attached hereto and made a part hereof:

PART A – STATE PARTICIPATION

Hot mix asphalt base crushing, shaping and resurfacing along Chesterfield Drive from Seymour Road to Eton Drive, along Eton Drive from Chesterfield Drive to cul-de-sac and along Birchcrest Drive from Young Drive to Oakview Drive; hot mix asphalt cold milling and resurfacing along Valleyview Drive from Oakview Drive to end of pavement, along Oakview Drive from Seymour Road to west of Birchcrest Drive, along Young Drive from Seymour Road westerly approximately 675 feet, and along Birchcrest Drive from Oakview Drive southerly to cul-de-sac; and all together with necessary related work.

PART B – NO STATE PARTICIPATION

Drainage improvements along the limits as described in PART A; and all together with necessary related work.

WITNESSETH:

WHEREAS, the State of Michigan is hereinafter referred to as the "State;" and

WHEREAS, the PROJECT has been approved for financing in part with funds from the State appropriated to the Transportation Economic Development Fund, hereinafter referred to as "TED FUNDS," qualifies for funding pursuant to PA 231, Section 9(1)(b); Public Act of 1987, as amended, and is categorized as:

CATEGORY "B" FUNDED PROJECT

WHEREAS, the parties hereto have reached an understanding with each other regarding the performance of the PROJECT work and desire to set forth this understanding in the form of a written contract.

NOW, THEREFORE, in consideration of the premises and of the mutual undertakings of the parties and in conformity with applicable law, it is agreed:

1. The parties hereto shall undertake and complete the PROJECT in accordance with the terms of this contract.

2. The term "PROJECT COST," as herein used, is hereby defined as the cost of the physical construction necessary for the completion of the PROJECT.

The costs incurred by the REQUESTING PARTY for preliminary engineering, construction engineering and inspection, and right-of-way are excluded from the PROJECT COST as defined by this contract.

The Michigan Department of Environment, Great Lakes, and Energy has informed the DEPARTMENT that it adopted new administrative rules (R 325.10101, et. seq.) which prohibit any governmental agency from connecting and/or reconnecting lead and/or galvanized service lines to existing and/or new water main. Questions regarding these administrative rules should be directed to the Michigan Department of Environment, Great Lakes, and Energy. The cost associated with replacement of any lead and/or galvanized service lines, including but not limited to contractor claims, will be the sole responsibility of the REQUESTING PARTY.

3. The DEPARTMENT is authorized by the REQUESTING PARTY to perform, at no cost to the PROJECT, such administration of the PROJECT covered by this contract as is necessary to assist the REQUESTING PARTY to qualify for funding. Such administration may include performing such review, legal, financing, any other PROJECT related activities as are necessary to assist the REQUESTING PARTY in meeting applicable State requirements.

The DEPARTMENT shall provide the REQUESTING PARTY with a notice to proceed with the award of the construction contract for the PROJECT.

The DEPARTMENT may make a final acceptance inspection of the PROJECT as necessary to ensure the PROJECT meets State requirements. Failure to comply with State requirements may result in forfeiture of future distributions of the Michigan Transportation Fund as described in Section 5. No charges will be made by the DEPARTMENT to the PROJECT for any inspection work or construction engineering.

4. The REQUESTING PARTY, under the terms of this contract, shall advertise and award the PROJECT work in accordance with the following:

A. The REQUESTING PARTY will, at no cost to the DEPARTMENT or the PROJECT, design, or cause to be designed, the PROJECT, and shall accept full responsibility for that design. Any review undertaken by the DEPARTMENT is for its own purposes and is not to nor does it relieve

the REQUESTING PARTY of liability for any claims, causes of action or judgments arising out of the design of the PROJECT.

- B. The REQUESTING PARTY, hereby, certifies to the DEPARTMENT that the plans, specifications, and estimates for the PROJECT have been prepared in compliance with applicable State laws, standards, and regulations.
- C. The REQUESTING PARTY, hereby, certifies to the DEPARTMENT that the contracting procedures to be followed by the REQUESTING PARTY in connection with the solicitation of the construction contract for the PROJECT shall be based on an open competitive bid process. It is understood that the proposal for the PROJECT shall be publicly advertised and the contract awarded on the basis of the lowest responsive and responsible bid in accordance with applicable State statutes and regulations.
 - (1) The REQUESTING PARTY shall not award the construction contract prior to receipt of a notice to proceed from the DEPARTMENT.
 - (2) Upon verification that contractor selection by the REQUESTING PARTY was made in accordance with the terms of this contract and upon receipt of the "Request for Payment" form from the REQUESTING PARTY, the DEPARTMENT will authorize payment to the REQUESTING PARTY for the eligible amount in accordance with Section 5.
- D. The REQUESTING PARTY will, at no cost to the PROJECT or the DEPARTMENT, comply with all applicable State statutes and regulations, including, but not limited to, those specifically relating to construction contract administration and obtain all permits and approvals with railway companies, utilities, concerned State, Federal, and local agencies, etc., and give appropriate notifications as may be necessary for the performance of work required for the PROJECT.

The REQUESTING PARTY agrees to comply with all applicable requirements of Part 91, Soil Erosion and Sedimentation Control of the Natural Resources and Environmental Protection Act, 1994 PA 451 as amended by 1995 PA 60 and 1996 PA 173, MCL 324.9101 et. seq., for all PROJECT work performed under this contract, and the REQUESTING PARTY shall require its contractors and subcontractors to comply with the same.

E. All work in connection with the PROJECT shall be performed in conformance with the DEPARTMENT'S current Standard Specifications for Construction, special provisions, and the supplemental specifications and plans pertaining to the PROJECT. All materials furnished and used in the construction of the PROJECT shall conform to the aforesaid specifications. Any changes in the scope of work for the PROJECT will require approval by the DEPARTMENT.

F. The REQUESTING PARTY shall, at no cost to the PROJECT or to the DEPARTMENT, appoint a project manager who shall administer the PROJECT and ensure that the plans and specifications are followed, and shall perform or cause to be performed the construction engineering and inspection services necessary for the completion of the PROJECT.

Should the REQUESTING PARTY elect to use consultants for construction engineering and inspection, the REQUESTING PARTY shall provide a full-time project manager employed by the REQUESTING PARTY who shall ensure that the plans and specifications are followed.

G. The REQUESTING PARTY shall require the contractor who is awarded the contract for the construction of the PROJECT to provide, as a minimum, insurance in the amounts specified in and in accordance with the DEPARTMENT'S current Standard Specifications for Construction, and to:

- (1) Maintain bodily injury and property damage insurance for the duration of the PROJECT.
- (2) Provide owner's protective liability insurance naming as insureds the State of Michigan, the Michigan State Transportation Commission, the DEPARTMENT and its officials, agents and employees, the REQUESTING PARTY and any other party with jurisdiction for the roadway being constructed as the PROJECT, and their employees, for the duration of the PROJECT and to provide copies of certificates of insurance to the insureds. It is understood that the DEPARTMENT does not assume either ownership of any portion of the PROJECT or jurisdiction of any REQUESTING PARTY highway as a result of being named as an insured on the owner's protective liability insurance policy.
- (3) Comply with the requirements of notice of cancellation and reduction of insurance set forth in the current Standard Specifications for Construction and to provide copies of notices and reports prepared to those insured.

5. The PROJECT COST shall be met in accordance with the following:

PART A

The PART A portion of the PROJECT COST shall be met in part by contributions by TED FUNDS. TED FUNDS Category B shall be applied to the eligible items of the PART A portion of the PROJECT COST up to an amount not to exceed the lesser of: (1) 35 percent of the approved and responsible low bid amount, or (2) \$250,000, the grant amount. The balance, if any, of the PART A portion of the PROJECT COST, after deduction of TED FUNDS, is the sole responsibility of the REQUESTING PARTY.

PART B

The PART B portion of the PROJECT COST is not eligible for TED FUNDS and shall be charged to and paid 100 percent by the REQUESTING PARTY in the manner and at the times hereinafter set forth.

The REQUESTING PARTY shall be responsible for the payment of all costs and expenses incurred in the performance of PROJECT work.

Based upon the final cost of the PROJECT and/or a request by the REQUESTING PARTY, a payment adjustment may be initiated and/or authorized by the DEPARTMENT for eligible items of the PART A portion of the PROJECT COST such that the total amount of TED FUNDS does not exceed the grant amount. The REQUESTING PARTY shall certify all actual costs incurred for work performed under this contract that are eligible for payment with TED FUNDS and will be required to repay any TED FUNDS it received in excess of 35 percent of the total of such costs.

6. The REQUESTING PARTY shall establish and maintain adequate records and accounts relative to the cost of the PROJECT. Said records shall be retained for a period of three (3) years after completion of construction of the PROJECT and shall be available for audit by the DEPARTMENT. In the event of a dispute with regard to allowable expenses or any other issue under this contract, the REQUESTING PARTY shall continue to maintain the records at least until that dispute has been finally decided and the time after all available challenges or appeals of that decision has expired.

The DEPARTMENT, or its representative, may inspect, copy, or audit the records at any reasonable time after giving reasonable notice.

The REQUESTING PARTY, within six (6) months of completion of the PROJECT and payment of all items of PROJECT COST related thereto, shall make a final reporting of construction costs to the DEPARTMENT and certify that the PROJECT has been constructed in accordance with the PROJECT plans, specifications, and construction contract.

In the event that an audit performed by or on behalf of the DEPARTMENT indicates an adjustment to the costs reported under this contract or questions the allowability of an item of expense, the DEPARTMENT shall promptly submit to the REQUESTING PARTY a Notice of Audit Results and a copy of the audit report which may supplement or modify any tentative findings verbally communicated to the REQUESTING PARTY at the completion of an audit.

Within sixty (60) days after the date of the Notice of Audit Results, the REQUESTING PARTY shall: (a) respond in writing to the responsible Bureau or the DEPARTMENT indicating whether or not it concurs with the audit report, (b) clearly explain the nature and basis for any disagreement as to a disallowed item of expense, and (c) submit to the DEPARTMENT a written explanation as to any questioned or no opinion expressed item of expense, hereinafter referred to as the "RESPONSE". The RESPONSE shall be clearly stated and provide any supporting documentation necessary to resolve any disagreement or questioned or no opinion expressed item of expense. Where the documentation is voluminous, the REQUESTING PARTY may supply appropriate excerpts and make alternate arrangements to conveniently and reasonably make that documentation available for review by the DEPARTMENT. The RESPONSE shall refer to and apply the language of the contract. The REQUESTING PARTY agrees that failure to submit a RESPONSE within the sixty (60) day period constitutes agreement with any disallowance of an item of expense and authorizes the DEPARTMENT to finally disallow any items of questioned or no opinion expressed cost.

The DEPARTMENT shall make its decision with regard to any Notice of Audit Results and RESPONSE within one hundred twenty (120) days after the date of the Notice of Audit Results. If the DEPARTMENT determines that an overpayment has been made to the REQUESTING PARTY, the REQUESTING PARTY shall repay that amount to the DEPARTMENT or reach agreement with the DEPARTMENT on a repayment schedule within thirty (30) days after the date of an invoice from the DEPARTMENT. If the REQUESTING PARTY fails to repay the overpayment or reach agreement with the DEPARTMENT on a repayment schedule within the thirty (30) day period, the REQUESTING PARTY agrees that the DEPARTMENT shall deduct all or a portion of the overpayment from any funds then or thereafter payable by the DEPARTMENT to the REQUESTING PARTY under this contract or any other agreement, or payable to the REQUESTING PARTY under the terms of 1951 PA 51, as applicable. Interest will be assessed on any partial payments or repayment schedules based on the unpaid balance at the end of each month until the balance is paid in full. The rate of interest will be based on the Michigan Department of Treasury common cash funds interest earnings. The rate of interest will be reviewed annually by the DEPARTMENT and adjusted as necessary based on the Michigan Department of Treasury common cash funds interest earnings. The REQUESTING PARTY expressly consents to this withholding or offsetting of funds under those circumstances, reserving the right to file a lawsuit in the Court of Claims to contest the DEPARTMENT'S decision only as to any item of expense the disallowance of which was disputed by the REQUESTING PARTY in a timely filed RESPONSE.

The REQUESTING PARTY shall comply with the Single Audit Act of 1984, P.L. 998-502 and applicable State laws and regulations relative to audit requirements.

7. The REQUESTING PARTY certifies that a) it is a person under the Natural Resources and Environmental Protection Act, MCL 324.20101 et seq., as amended, (NREPA) and is not aware of and has no reason to believe that the property is a facility as defined in the NREPA; b) the REQUESTING PARTY further certifies that it has completed the tasks required by MCL 324.20126 (3)(h); c) it conducted a visual inspection of property within the existing right of way on which construction is to be performed to determine if any hazardous substances were present; and at sites on which historically were located businesses that involved hazardous substances, it performed a reasonable investigation to determine whether hazardous substances exist. This reasonable investigation should include, at a minimum, contact with local, State and federal environmental agencies to determine if the site has been identified as, or potentially as, a site containing hazardous substances; d) it did not cause or contribute to the release or threat of release of any hazardous substance found within the PROJECT limits.

The REQUESTING PARTY also certifies that, in addition to reporting the presence of any hazardous substances to the Michigan Department of Environment, Great Lakes, and Energy, it has advised the DEPARTMENT of the presence of any and all hazardous substances which the REQUESTING PARTY found within the PROJECT limits, as a result of performing the investigation and visual inspection required herein. The REQUESTING PARTY also certifies that it has been unable to identify any entity who may be liable for the cost of remediation. As a result, the REQUESTING PARTY has included all estimated costs of remediation of such hazardous substances in its estimated cost of construction of the PROJECT.

8. If, subsequent to execution of this contract, previously unknown hazardous substances are discovered within the PROJECT limits, which require environmental remediation pursuant to either State or federal law, the REQUESTING PARTY, in addition to reporting that fact to the Michigan Department of Environment, Great Lakes, and Energy, shall immediately notify the DEPARTMENT, both orally and in writing of such discovery. The DEPARTMENT shall consult with the REQUESTING PARTY to determine if it is willing to pay for the cost of remediation and to determine the eligibility, for reimbursement, of the remediation costs. The REQUESTING PARTY shall pay all costs associated with such remediation, including all delay costs of the contractor for the PROJECT. If the REQUESTING PARTY refuses to participate in the cost of remediation, the amount of TED FUNDS the REQUESTING PARTY received from Grant #635 shall be forfeited back to the DEPARTMENT.

9. If State funds administered by the DEPARTMENT are used to pay the cost of remediating any hazardous substances discovered after the execution of this contract and if there is a reasonable likelihood of recovery, the REQUESTING PARTY, in cooperation with the Michigan Department of Environment, Great Lakes, and Energy and the DEPARTMENT, shall make a diligent effort to recover such costs from all other possible entities. If recovery is made, the DEPARTMENT shall be reimbursed from such recovery for the proportionate share of the amount paid by the DEPARTMENT and the DEPARTMENT shall credit such sums to the appropriate funding source.

10. The DEPARTMENT'S sole reason for entering into this contract is to enable the REQUESTING PARTY to obtain and use funds provided by the State.

Any and all approvals of, reviews of, and recommendations regarding contracts, agreements, permits, plans, specifications, or documents, of any nature, or any inspections of work by the DEPARTMENT pursuant to the terms of this contract are done to assist the REQUESTING PARTY in meeting program guidelines in order to qualify for available funds. Such approvals, reviews, inspections and recommendations by the DEPARTMENT shall not relieve the REQUESTING PARTY and the local agencies, as applicable, of their ultimate control and shall not be construed as a warranty of their propriety or that the DEPARTMENT is assuming any liability, control or jurisdiction.

The providing of recommendations or advice by the DEPARTMENT does not relieve the REQUESTING PARTY and the local agencies, as applicable, of their exclusive jurisdiction of the highway and responsibility under MCL 691.1402 et seq., as amended.

When providing approvals, reviews and recommendations under this contract, the DEPARTMENT is performing a governmental function, as that term is defined in MCL 691.1401 et seq. as amended, which is incidental to the completion of the PROJECT.

11. The DEPARTMENT, by executing this contract, and rendering services pursuant to this contract, has not and does not assume jurisdiction of the highway, described as the PROJECT for purposes of MCL 691.1402 et seq., as amended. Exclusive jurisdiction of such highway for the purposes of MCL 691.1402 et seq., as amended, rest with the REQUESTING PARTY and other local agencies having respective jurisdiction.

12. The REQUESTING PARTY shall approve all of the plans and specifications to be used on the PROJECT and shall be deemed to have approved all changes to the plans and specifications when put into effect. It is agreed that ultimate responsibility and control over the PROJECT rests with the REQUESTING PARTY and local agencies, as applicable. Any changes in the scope of work for the PROJECT will require approval by the DEPARTMENT.

13. The REQUESTING PARTY agrees that the costs reported to the DEPARTMENT for this contract will represent only those items that are properly chargeable in accordance with this contract. The REQUESTING PARTY also certifies that it has read the contract terms and has made itself aware of the applicable laws, regulations, and terms of this contract that apply to the reporting of costs incurred under the terms of this contract.

Upon completion of the PROJECT, the REQUESTING PARTY shall accept the facilities constructed as built to specifications within the contract documents. It is understood that the REQUESTING PARTY shall own the facilities and shall operate and maintain the facilities in accordance with all applicable Federal and State laws and regulations, including, but not limited to, Title II of the Americans with Disabilities Act (ADA), 42 USC 12131 et seq., and its

associated regulations and standards, and DEPARTMENT Road and Bridge Standard Plans and the Standard Specifications for Construction.

14. Each party to this contract will remain responsible for any and all claims arising out of its own acts and/or omissions during the performance of the contract, as provided by this contract or by law. In addition, this is not intended to increase or decrease either party's liability for or immunity from tort claims. This contract is also not intended to nor will it be interpreted as giving either party a right of indemnification, either by contract or by law, for claims arising out of the performance of this contract.

15. In connection with the performance of PROJECT work under this contract the parties hereto (hereinafter in Appendix "A" referred to as the "contractor") agree to comply with the State of Michigan provisions for "Prohibition of Discrimination in State Contracts," as set forth in Appendix A, attached hereto and made a part hereof. The parties further covenant that they will comply with the Civil Rights Acts of 1964 being P.L. 88-352, 78 Stat. 241, as amended, being Title 42 U.S.C. Sections 1971, 1975a-1975d, and 2000a-2000h-6, and will require similar covenants on the part of any contractor or subcontractor employed in the performance of this contract.

16. This contract shall become binding on the parties hereto and of full force and effect upon the signing thereof by the duly authorized officials for the parties hereto and upon the adoption of the necessary resolution approving said contract and authorizing the signatures thereto of the respective officials of the REQUESTING PARTY, a certified copy of which resolution shall be attached to this contract.

IN WITNESS WHEREOF, the parties hereto have caused this contract to be executed as written below.

APPENDIX A
PROHIBITION OF DISCRIMINATION IN STATE CONTRACTS

In connection with the performance of work under this contract; the contractor agrees as follows:

1. In accordance with Public Act 453 of 1976 (Elliott-Larsen Civil Rights Act), the contractor shall not discriminate against an employee or applicant for employment with respect to hire, tenure, treatment, terms, conditions, or privileges of employment or a matter directly or indirectly related to employment because of race, color, religion, national origin, age, sex, height, weight, or marital status. A breach of this covenant will be regarded as a material breach of this contract. Further, in accordance with Public Act 220 of 1976 (Persons with Disabilities Civil Rights Act), as amended by Public Act 478 of 1980, the contractor shall not discriminate against any employee or applicant for employment with respect to hire, tenure, terms, conditions, or privileges of employment or a matter directly or indirectly related to employment because of a disability that is unrelated to the individual's ability to perform the duties of a particular job or position. A breach of the above covenants will be regarded as a material breach of this contract.
2. The contractor hereby agrees that any and all subcontracts to this contract, whereby a portion of the work set forth in this contract is to be performed, shall contain a covenant the same as hereinabove set forth in Section 1 of this Appendix.
3. The contractor will take affirmative action to ensure that applicants for employment and employees are treated without regard to their race, color, religion, national origin, age, sex, height, weight, marital status, or any disability that is unrelated to the individual's ability to perform the duties of a particular job or position. Such action shall include, but not be limited to, the following: employment; treatment; upgrading; demotion or transfer; recruitment; advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.
4. The contractor shall, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, national origin, age, sex, height, weight, marital status, or disability that is unrelated to the individual's ability to perform the duties of a particular job or position.
5. The contractor or its collective bargaining representative shall send to each labor union or representative of workers with which the contractor has a collective bargaining agreement or other contract or understanding a notice advising such labor union or workers' representative of the contractor's commitments under this Appendix.
6. The contractor shall comply with all relevant published rules, regulations, directives, and orders of the Michigan Civil Rights Commission that may be in effect prior to the taking of bids for any individual state project.

7. The contractor shall furnish and file compliance reports within such time and upon such forms as provided by the Michigan Civil Rights Commission; said forms may also elicit information as to the practices, policies, program, and employment statistics of each subcontractor, as well as the contractor itself, and said contractor shall permit access to the contractor's books, records, and accounts by the Michigan Civil Rights Commission and/or its agent for the purposes of investigation to ascertain compliance under this contract and relevant rules, regulations, and orders of the Michigan Civil Rights Commission.
8. In the event that the Michigan Civil Rights Commission finds, after a hearing held pursuant to its rules, that a contractor has not complied with the contractual obligations under this contract, the Michigan Civil Rights Commission may, as a part of its order based upon such findings, certify said findings to the State Administrative Board of the State of Michigan, which State Administrative Board may order the cancellation of the contract found to have been violated and/or declare the contractor ineligible for future contracts with the state and its political and civil subdivisions, departments, and officers, including the governing boards of institutions of higher education, until the contractor complies with said order of the Michigan Civil Rights Commission. Notice of said declaration of future ineligibility may be given to any or all of the persons with whom the contractor is declared ineligible to contract as a contracting party in future contracts. In any case before the Michigan Civil Rights Commission in which cancellation of an existing contract is a possibility, the contracting agency shall be notified of such possible remedy and shall be given the option by the Michigan Civil Rights Commission to participate in such proceedings.
9. The contractor shall include or incorporate by reference, the provisions of the foregoing paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Michigan Civil Rights Commission; all subcontracts and purchase orders will also state that said provisions will be binding upon each subcontractor or supplier.

Revised June 2011

City of Swartz Creek

*Public Safety Assessment
Revenue and Expense Report
City Council Meeting
November 13, 2023 &
December 18, 2023 Edition*

City of Swartz Creek

Public Safety Assessment Revenue and Expense Report

Background

In 2013, the city went through a process to apply a ten-year 4.9 mil assessment to all real property in the city for the purpose of collecting revenues to support police and fire operations, including fire equipment purchases. This was done at a time when the city operated two full time police officers below full strength, provided about 20% the current amount of fire apparatus funding, and maintained a substantial general fund deficit of about \$377,000 annually.

The underlying cause of this pronounced deficiency was the catastrophic collapse of the community's taxable value as a result of the housing crisis and a specific and dramatic reduction in GM's taxable value. Massive reductions in raceway revenue sharing were also impactful.

Note that the presence of GM and the active raceway enabled the city to be one of the lowest, if not the lowest taxing city in the state for all cities that did not have a separate income tax at the time. The assessment enabled the city to return to pre-existing service levels for police and fire, a practice that continues to this day. This increase, along with the street tax that passed a few years later, brought the city closer to the middle of the curve for tax effort (for 2022 levies, the city was the third lowest of eleven cities in the region).

Based on the 2022 apportionment book, the homestead levy for Swartz Creek with the assessment is 47.5632 mils. This includes county, city, school, community college, intermediate school, and authority levies. The public safety assessment is 10.3% of a homestead tax bill. For non-homestead (business and rental property) the total levy, with assessment, is 65.5632 mils. The assessment is 7.47% of a non-homestead tax bill. Of these levy totals, the total city levy is 16.3227 mils, which is 34.32% of the total homestead levy and 24.90% of the non-homestead levy. The 4.9 mil public safety assessment is 30% of the Swartz Creek City tax effort.

The revenues generated by the assessment are essential to maintaining police and fire services. 2023 completes ten full years of public safety assessment collections. The city must revisit the public safety assessment prior to establishing a 2024 levy in order to continue with services. The city can certainly consider other options, or a combination of options, including service reductions, a voted tax, or a change in prioritization of appropriations.

The process to consider the special assessment district is as follows. There must be a City Council resolution approving the SAD and for the administration to gather an estimation of the costs needed for Public Safety and schedule a public hearing to consider the estimate, need for the special assessment, and hear objections. This occurred at the regular meeting on October 23, 2023, resulting in this report. The public hearing notice must be sent by first-class mail to the property's record owner according to the last tax roll reviewed by the City Board of Review at least 10 days prior to the hearing. Publication of the notice must also occur 5 days before the scheduled public hearing in the local newspaper.

The first public hearing is scheduled for November 13, 2023. If the Council chooses to proceed with this process, another public hearing will be scheduled to review the specific district. Because a renewal is being considered, the existing roll already reflects the district boundary, included properties, and revenues. If the council chooses to proceed with the assessment after the second hearing, a formal resolution establishes the district.

Based on preliminary findings with the assessment and budgets firmly in place and functional for the past decade, it is likely that a renewal of the same boundaries (all city parcels) and same rate (4.9 mils) will suffice. Our fiscal year budget is already approved through June 30th and is funded at the current service level for police and fire. Note that this levy, per the 2013 resolution, can increase by up to 10% in any given year. This has never occurred, but it could be employed if the fire apparatus budget requires additional revenues.

Financial Overview of Services and Assessment

Below is a statement of expected expenses for police and fire services, expected assessment revenues, and the proportion of said expenses to be covered by the proposed assessment. Police services are expensed, as provided by the Metro Police Authority of Genesee County (an Urban Cooperation Act service provided in conjunction with Mundy Township), including Flint Area Narcotic Dues, prosecution fees, police legacy expenses (Fund 101.301.000 through 101.334.000). The most recent expense estimates are derived from the existing fiscal year 2024 city budget.

Fire services are expensed as provided by the Swartz Creek Area Fire Department (an Urban Cooperation Act service provided in conjunction with Clayton Township), including fire services and fire equipment (Fund 101.336.000 and Fund 402.336.000-976.000). These expenses are from the existing fiscal year 2024 city budget. Costs to own, operate, and maintain the public safety building are also derived from the fiscal year 2024 city budget (Fund 101-345.000).

The assessment uses December 31, 2022 taxable values, the most recent available, to provide for the assessment roll and total revenues. Note that the city operates with a July 1 - June 30 fiscal year. Both authorities operate with a January 1 - December 31 fiscal year. As of writing, estimates are not available for Metro Police expenses beyond December 31, 2023. A budget exists for calendar year 2024 for the Swartz Creek Area Fire Department. The fire department expenses for calendar year 2024 are reasonably in line with the remainder of city fiscal year 2024 estimates and the first half of city fiscal year 2025 predictions.

Existing budgets cannot adequately predict expenses for police and fire expenses for the city 2025 fiscal year (July 1, 2024-June 30, 2025). 2024 taxable values are also not available or reasonably predictable. As such, the existing city budget (fiscal year 2024), which is derived from existing and estimated expenses is being used in conjunction with the existing assessment roll to generate a financial model. Existing trends suggest expense and taxable value increases of 3-5% for the next budget cycle.

The revenue and expense report for the Swartz Creek Public Safety Assessment follows (to the right):

<u>Budget Account Number</u>	<u>Revenue Description</u>	<u>Revenue*</u>
101-000.000-402.000	FY 2024 Public Safety Assessment	\$850,829.99

<u>Budget Account Number</u>	<u>Expense Description</u>	<u>Expense</u>
101-301.000	FANG Dues	\$7,925.00
101-301.266	Legal Council PSFY	\$24,000.00
101-301.851	Retiree Health PSFY	\$34,250.00
101-334.000	Metro Police Authority Contribution	\$1,210,137.00
101-336.000	Fire Department Contribution	\$182,362.29
101-345.000	Public Safety Building	\$38,427.00
402-336.000	Fire Equipment	\$226,000.00

Total FY 2024 Public Safety Expense \$1,723,101.29
 Percent of Expenses Covered by SAD 49.38%

*Projected revenue of \$850,829.99 was reduced to \$815,600 in the current budget to estimate actual review after expected appeals, as observed in prior years. No appeals have been filed, so the original assessment roll revenue estimate is observed

Swartz Creek City Fiscal Year 2024 Police and Fire Budget Expenses
