CITY OF SWARTZ CREEK PARADE REGULATIONS

The approval of a street closure request and/or a "parade permit" is based on the assumption that the event coordinator(s) fully understand and accept the following regulations regarding the event:

1. The throwing of any object(s) from any vehicle during the course of the parade is prohibited by ordinance. Violations of this ordinance could result in prosecution and/or the denial of future permit requests.
2. The closing of major thorough fares entails the rerouting of thousands of motorists and the interruption of commerce. It is imperative that parades begin and end on time so as not to unnecessarily disrupt the usual course of traffic and business.
3. Parade organizers must provide a means of direct communication between the event coordinator and the Chief of Police (or his designate) during the course of the parade in order to address any dangerous conditions that may develop during the course of the event.
4. The practice of parade participants jumping onto or off of moving vehicles in the parade is prohibited.
5. When determining the staging area for parade participants, organizers should ensure that the area is sufficient in size to accommodate all entries without creating traffic or pedestrian hazards.

It is the responsibility of the event coordinator(s) to ensure that all parade participants are made aware of the regulations that directly affect them and by signing this document hereby acknowledge that they have received a copy of these regulations and accept said responsibility.
