- B. Staff Letter

REPORTS:

- A. DPW Director & City Manager: Mr. Zettel updates: courts look good, striping it done, both trails are substantially done. We are working on the historical and wayfinding signs. The parks seemed to have been used more appropriately this year than last, didn't have too many issues with bounce houses, litter, loud music. Alcohol still seems to be an issue. Bee More Jentery Foundation

is putting on an event October 7th to raise funds for YMCA Camp Copneconic and funds to support the development of the Otterburn Disc Golf Park. Rob Bincsik update: we received the Abrams Park donated playground equipment and it is on the list for installation. Courts are all done and are being used. He is still waiting on Consumers Energy for the final electricity installation at Abrams Park pavilion. Tree work at Abrams is still on going, lots already taken care of.

BUSINESS:

- A. Overnight Parking at Abrams: Mr. Zettel stated the city will enforce overnight parking if the Park Board wishes. Member Barclay and member Gonyea feel that there needs to be more signage and better patrolling by Metro with enforcement. Mr. Zettel will talk to Metro about this.

- B. Elms Park Asphalt Open Area: Mr. Zettel asked the Park Board their opinion on what we should do with this area. Mr. Henry, as stated earlier, would like to see pickle ball courts. They are going to continue discussing these ideas and costs at the next meeting. Discussion took place with public and board members of even making this into a pickleball court. Board member Barclay suggested getting prices on converting to a pickle ball court and board member Gonyea said that would give the Friends of Abrams Park to have another meeting and make some suggestions.

RE: October 17, 2023 Park Board Meeting

Hello everyone,

We will be meeting at 5:30 p.m. on Tuesday, October 17, 2023. We will be back at the city council chambers!

By way of update, there is not a lot to report since the heavy lifting contractual services are complete. However, we have moved forward with buying the no parking overnight signs for Abrams. The rock has also been moved onsite to Abrams! Staff has also enlisted the services of the Genesee Conservation District to provide hands-on tree maintenance training for our DPW. This will help greatly with park tree care and street tree care.

Along that vein, I intend to resubmit the forestry grant for Abrams Park that was submitted in 2022 to the DNR. I have worked with the same forestry expert to improve the submission, so I hope for better results. This grant is for continued forestry of Abrams Park by way of planting numerous 2" caliber native species in Abrams.

First on our agenda is the annual review of the park rules and fees. We do this each fall as a way to debrief from the summer activities and improve upon service delivery for the next year. Overall, our experience has been much improved with the most recent rules and fee structure.

Next we return to the discussion regarding the asphalt space at Abrams that houses the old basketball courts. This court has lost most of its function with the fancy, new courts going in. However, it has potential for other uses. One of the uses proposed was pickle ball. One of the local experts has inspected the court and they indicate that it would need to be resurfaced in the same way that the basketball courts were if it is to have much value. They also indicated that there is only room for one regulation court at this site.

In addition, Samantha is working on volunteer recognition for those individuals and groups that have put much time, energy, and money into our parks and other public spaces. There is a big opportunity before us to show some much needed recognition for all the

good that folks bring to our public areas. Samantha has some ideas that may involve the park board, as well as other commissions.

Lastly, we plan to start crowdfunding for the solar system model that is planned to go on the trail between Elms and Otterburn Parks. This entire project is to cost about \$50,000. It will include trail head signs and wayfinding signs for both parks and along the trail. It will also include the sun station, eight planet stations, and another station in Nelson, New Zealand. As the crowdfunding kicks off, we are in need of raising \$25,000. Samantha has some ideas, but we will need some help. She is also interested in seeing if the park board feels this is worth putting up to \$10,000 of general fund money towards. I think this is worth considering.

Contact me with additional future agenda items, questions, or comments.

Sincerely,
