**CITY OF SWARTZ CREEK  
VIRTUAL (ELECTRONIC) MEETING RULES AND PROCEDURES**

In order to conduct an effective, open, accessible, and professional meeting, the following protocols shall apply. These protocols are derived from the standard practices of Swartz Creek public meetings, Roberts Rules of Order, and city board & commission procedures. These procedures are adopted to govern participation by staff, councilpersons and members of the public in all City meetings held electronically pursuant to PA 228 of 2020. Note that these protocols do not replace or eliminate established procedures or practices. Their purpose is to augment standing expectations so that practices can be adapted to a virtual meeting format.

The following shall apply to virtual meetings of the city's public bodies that are held in accordance with the Open Meetings Act.

1. Meetings of the City Council, Planning Commission, Zoning Board of Appeals, Downtown Development Authority, Park Board, or committees thereunder may meet electronically or permit electronic participation in such meetings insofar as (1) the Michigan Department of Health and Human Services restricts the number of persons who can gather indoors due to the COVID-19 pandemic; (2) persons have an illness, injury, disability or other health-related condition that poses a risk to the personal health or safety of members of the public or the public body if they were to participate in person; or (3) there is in place a statewide or local state of emergency or state of disaster declared pursuant to law or charter by the governor or other person authorized to declare a state of emergency or disaster.
2. All meetings held hereunder must provide for two-way communication so that members of the public body can hear and respond to members of the general public, and vice versa.
3. Members of the public body who participate remotely must announce at the outset of the meeting that he/she is in fact attending the meeting remotely and by further identifying the specific physical location (by county, township, village and state) where he/she is located. The meeting minutes must include this information.
4. Notice of any meeting held electronically must be posted at the City Offices at least 18 hours before the meeting begins and must clearly explain the following:
  - (a) why the public body is meeting electronically;
  - (b) how members of the public may participate in the meeting electronically, including the specific telephone number, internet address or similar log-in information needed to participate in the meeting;

- (c) how members of the public may contact members of the public body to provide input or ask questions on any business that will come before the public body at the meeting;
  - (d) how persons with disabilities may participate in the meeting.
5. The notice identified above must also be posted on the City's website homepage or on a separate webpage dedicated to public notices for non-regularly scheduled or electronic public meetings that is accessible through a prominent and conspicuous link on the website's homepage that clearly describes the meeting's purpose.
  6. The City must also post on the City website an agenda of the meeting at least 2 hours before the meeting begins.
  7. Members of the public may offer comment only when the Chair recognizes them and under rules established by the City.
  8. Members of the public who participate in a meeting held electronically may be excluded from participation in a closed session that is convened and held in compliance with the Open Meetings Act.

## **MAINTAINING ORDER**

Public body members and all individuals participating shall preserve order and shall do nothing to interrupt or delay the proceedings of public body.

All speakers shall identify themselves prior to each comment that follows another speaker, and they shall also indicate termination of their comment. For example, "Adam Zettel speaking. There were no new water main breaks to report last month. That is all."

Any participants found to disrupt a meeting shall be promptly removed by the city clerk or by order of the Mayor. Profanity in visual or auditory form is prohibited.

The public body members, participating staff, and recognized staff/consultants/presenters shall be the only participants not muted by default. All other members must request to speak by raising their digital hand on the Zoom application or by dialing \*9 on their phone.

## **MOTIONS & RESOLUTIONS**

All Motions and Resolutions, whenever possible, shall be pre-written and in the positive, meaning yes is approved and no is defeated. All motions shall require support. A public body member whom reads/moves for a motion may oppose, argue against or vote no on the motion.

## **PUBLIC ADDRESS OF BOARD OR Commission**

The public shall be allowed to address a public body under the following conditions:

1. Each person who wishes to address the public body will be first recognized by the Mayor or Chair and requested to state his / her name and address. This applies to staff, petitioners, consultants, and similar participants.
2. Individuals shall seek to be recognized by raising their digital hand as appropriate on the digital application.
3. Petitioners are encouraged to appropriately identify their digital presence so they can be easily recognized during business. If you intend to call in only, please notify the clerk in advance of your phone number.
4. The city clerk shall unmute participants and the members of the public based upon the direction of the mayor or chair. Participants not recognized for this purpose shall be muted by default, including staff, petitioners, and consultants.
5. Individuals shall be allowed five (5) minutes to address the public body, unless special permission is otherwise requested and granted by the Mayor or Chair.
6. There shall be no questioning of speakers by the audience; however, the public body, upon recognition of the Mayor or Chair, may question the speaker.
7. No one shall be allowed to address the public body more than once unless special permission is requested, and granted by the Mayor or Chair.
8. One spokesperson for a group attending together will be allowed five (5) minutes to address the public body unless special permission has been requested, and granted by the Mayor or Chair.
9. Those addressing the public body shall refrain from being repetitive of information already presented.
10. All comments and / or questions shall be directed to and through the Mayor or Chair.
11. Public comments (those not on the agenda as speakers, petitioners, staff, and consultants) are reserved for the two "Public Comment" sections of the agenda and public hearings.

## **VOTING RECORD OF PUBLIC BODIES**

All motions, ordinances, and resolutions shall be taken by "YES" and "NO" voice vote and the vote of each member entered upon the journal.

RE: September 17, 2024 Park Board Meeting

Hello everyone,

**We will be meeting at 5:30 p.m. on Tuesday, September 17, 2024. The meeting will be in the city council chambers!** The meeting will also be available to the general public via Zoom, but park board members must attend in person to participate.

The Friends of Abrams Park group is still working on a flagpole and refecton area donation, as well as the butterfly garden. The flag is in the fundraising stage, but they appear to be planning a ground breaking on September 18<sup>th</sup>! Concerning the butterfly garden, the group has some requests.

Specifically, they are seeking assistance from the city to prepare the area by removing overgrowth, which should not be a problem. We also have plans for the butterfly garden layouts, including the plot plans. I am including these plans in the packet. I am not including the submitted imagery of all plant varieties at this time. Let me know if you have an interest in that.

They are also seeking to have irrigation and power supplied to the site. This could be a bit more problematic in terms of initial and ongoing maintenance and financial resources. We are attempting to get away from high maintenance landscaping, with a stronger preference for durable native species.

As of writing, the bike rack proposal by the Eagle Scout candidate appears to be a dead matter. I will work with Rob to see if we can still get some bike racks purchases and delivered this year in lieu of the donation.

Work has been approved for fence repair work, a new fence for the Elms pickleball area, and some sidewalk repairs at Elms. Forestry work is ongoing on an as-needed basis at all parks. I will be submitting another forestry grant application to the DNR to see if we can secure additional funds to provide for addition forestry at Abrams Park. We also anticipate additional/new waste bins and benches throughout the parks this summer.

Park Board

Concerning our agenda, we are revisiting the interest in a Halloween decorating contest. I think this is a good idea for the community. The Christmas contest is received well, and I think many folks take Halloween just as serious, perhaps more so. We will see where this goes. I am including the maps from the Christmas decorating contest for reference.

Lastly, we have a request by a park board member to consider changes to the creek bank at Abrams. I believe the intention is to review the possibility of clearing one or more select areas of vegetative growth to all for closer interaction with the creek by park users. We can discuss how this might occur and whether or not to proceed.

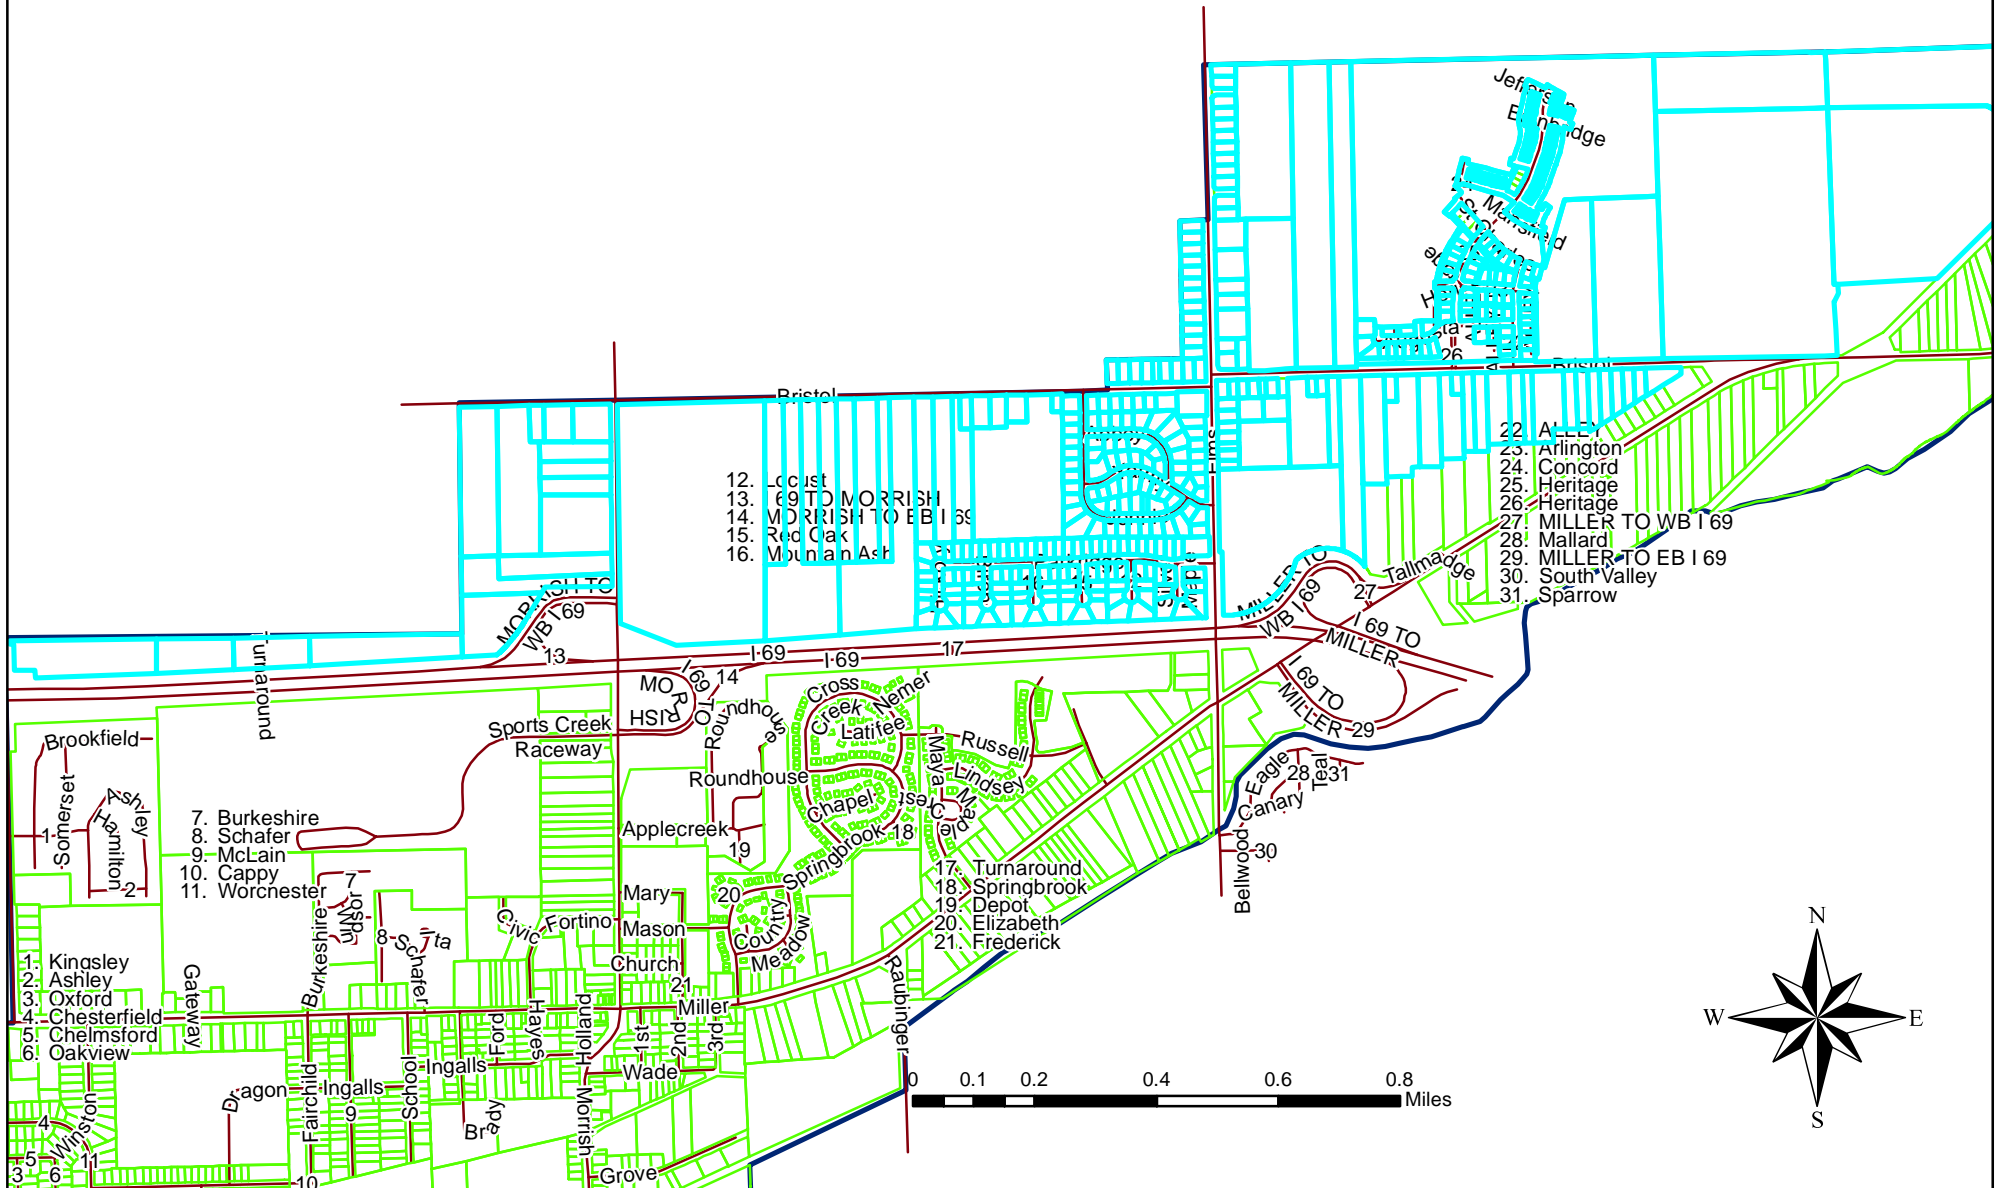

Contact me with additional future agenda items, questions, or comments.

Sincerely,

Adam H. Zettel, AICP

## Park Board Agenda Request by Friends of Abrams Park, a nonprofit organization

1. Use of City Equipment with Employee to scrape landscape area next to fencing where weeds are overgrown.

No pesticides can be utilized for weed control as this area will become the Monarch Butterfly Way Station and pesticides stay in ground and affect plants for up to 5 years. Also, this overgrowth far exceeds the ability to remove these weeds by hand. Therefore, the larger area of weed growth from the 2023-2024 season, next to the fence line, needs to be scraped with a blade/equipment to ground level (dirt).

*Pictures of the overgrown weeded area are provided.*

2. Asking for a recommendation to City Council to provide water source for a sprinkler system that Friends of Abrams Park will install for the continuation of the Butterfly Garden Way Station and future Gardens area.

Watering this garden by the City would be consistent with the maintaining the Veterans Memorial garden via a sprinkler system, downtown watering of flower boxes and archway garden, and Elms Road Park sign garden.

3. Asking for a recommendation to City Council to provide electricity for sprinkler system that Friends of Abrams Park will install for the continuation of the Butterfly Garden Way Station and future Gardens area.

Consistent with providing electricity to the Veterans Memorial garden sprinkler system.

## WHITNEY COURT PARKING LOT ENTRANCE

10' residential and utility barrier from fence line into park land (west and north) to allow vehicle access (*city and utility*), as well as residents who have private gates for access to park land.

**First garden ("Boulder" Design 26'x13')** begins 14' from the fence barrier and 20' from the parking lot. This design includes boulders which will hold rain water upon the surface to allow the butterflies to have access to natural drinking water.

**Second garden ("Split Rail Fence" Design 25'x8')** begins 36' from the fence barrier and 64' from the parking lot. This design includes a "Butterfly Puddler," which consists of 3 flat rocks that will lay upon a foundation of play sand with pond liner underneath to retain moisture. The play sand will be a depth of 2-3". Smaller rocks will create a border around the play sand. Every 6-8 weeks, a tiny bit of *sea* salt will be mixed in the sand to provide nutrients for the butterflies.

**Third garden (Spiral Sunburst "Circular Walkway" Design 75' circumference)** begins 52' from the fence barrier and 30' from the parking lot. This design contains the metal artwork of Keaton Schilling as the focus for this circular walkway. This garden will allow park guests to walk from the parking lot through the circular walkway and choose a route to view the first and second gardens, or walk to the future gardens or visit the future sitting area.
