IV. PLAN REVIEW REQUIRED

See below for plan review requirements before completing this section. Plans and specifications must be submitted when the wiring or alteration to an electrical system is over 400 amps and is in excess of 3,500 square feet in all buildings.

Plans are required for all building types and shall be prepared by or under the direct supervision of an architect or engineer licensed pursuant to Act No. 299 of the Public Acts of 1980, as amended, and shall bear that architect's or engineer's signature and seal, except:

1. When the electrical system rating does not exceed 400 amps and the building is not over 3,500 square feet in area.
2. Work completed by a governmental subdivision or state agency costing less than \$15,000.

Required Plans must be submitted, reviewed and approved before a permit can be issued.

V. APPLICANT SIGNATURE

Section 23a of the State Construction Code Act of 1972, 1972 PA 230 MCL 125.1523A, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or a residential structure. Violators of Section 23a are subjected to civil fines.

IX. COMPLETING APPLICATION

GENERAL: Electrical work shall not be started until the application for permit has been filed. All installations shall be in conformance with the Electrical Code. No work shall be concealed until it has been inspected. When ready for an inspection, at least 1 day's notice is required. Permit number and job address required.

PERMIT EXPIRATION: A permit remains valid provided work is progressing & inspections are requested & conducted. A permit shall become invalid if the authorized work is not commenced within 6 months after issuance or if work is suspended or abandoned for a period of six months after the time of commencement. A permit will be cancelled when no inspections are requested/conducted within six months of the date of issuance or the date of a previous inspection. Cancelled permits cannot be refunded or reinstated.

The Department will not discriminate against any individual or group because of race, sex, religion, age, national origin, color, marital status, handicap or political beliefs.
